

## Message from the General Manager

As 2024 comes to a close, I want to take this moment to express our gratitude to all our clients, partners, and supporters. This year has been one of growth, learning, and impact for INCA. We launched new initiatives, expanded our services, and introduced innovative solutions that prioritize safety and quality.

Looking ahead to 2025, our mission remains steadfast: to deliver excellence, push boundaries, and continue making a meaningful impact in the industries and communities we serve. Thank you for being an integral part of this journey.

Warm regards,

**Chris Wells**  
General Manager

### Product Spotlight: Floorsafe—Revolutionising Non-Slip Technology

Introducing [Floorsafe](#), the latest innovation in safety solutions. This liquid-applied, water-activated non-slip coating ensures unmatched safety for wet and slippery environments without compromising aesthetics.

#### Key Features:

- **Water-Activated Technology:** Enhances traction in wet conditions.
- **Seamless Spray Application:** Uniform coverage with a quick-drying finish.
- **Eco-Friendly Formula:** Non-toxic and safe for humans and the environment.
- **Applications:** Perfect for swimming pools, hospital corridors, retail spaces, and more.

### Industry Solutions Highlight: The Versatility of FRP

- From marine environments to industrial facilities, FRP solutions continue to redefine safety and efficiency. Did you know? FRP offers:
- **Superior Slip Resistance:** Ensuring safety in wet and oily conditions.
- **Corrosion Resistance:** Perfect for harsh environments.
- **Low Maintenance Durability:** Long-lasting solutions for every industry.

Explore how FRP can transform safety in your industry by visiting our product pages or contacting us directly.

### Case Study Highlight: Global Success Stories with FRP

This month, we're sharing real-world applications of FRP solutions from global industries:

- [Billund Airport:](#) Enhanced safety in high-traffic areas.
- [Fujairah BPGIC Terminal:](#) Durable solutions in corrosive environments. Discover more about these success stories on our [Case Studies page](#).

## A Look Ahead to 2025

As we move into the new year, we're excited to expand our offerings and continue innovating. Be on the lookout for:

- New product launches.
- Expanded fabrication services.
- Community-focused CSR initiatives.

Let's build a safer, brighter future together!
