## Packages

A package is a collection of sessions that a client can pay for and schedule at once.

Name	Description	Price
New Patient Package	<p>It usually requires at least 3 visits to confirm good therapeutic fit between client and provider as well as develop treatment plan. The first three visits includes an initial evaluation/intake treatment plan and 2 additional follow-up visits. This is particularly important when there are medications started or there are safety concerns that need closer monitoring at the initial visit.</p> <p>This package also includes 1 additional Collateral Service up to 15min outside of scheduled visit at no additional charge with school or additional family member/friend, etc.</p>	<p>\$750</p> <p>(Total value \$850, Savings of \$100)</p>
Established Patient with Psychotherapy	<p>This includes 6 prepaid psychiatry follow up visits.</p> <p>If completing at least 2 visits per month, will receive at least 1 as needed 30min telephone check-in per month at no additional charge.</p> <p>Up to 3 free 30min as needed telephone check-in for psychotherapy/psychoeducational over a 3month period at no additional call.</p> <p>Strongly recommend it for patients who would like to engage in more frequent sessions every 1 to 2 weeks for psychotherapy from their psychiatrist or need more intensive medication monitoring/support.</p>	<p>\$1,200</p> <p>(Total value \$1500, Savings of \$300)</p>
