

Kennedy Park and Bigford Field Improvement Project

The Marion Senior Softball Association is currently conducting a fundraising campaign to improve the Kennedy Park and Bigford Field facilities supporting the physical, emotional and social needs of the Marion community.

Our goal is to raise \$250,000 to improve several areas of the park. Items and areas for improvement include:

- ❖ New turf infield on the softball field
- ❖ New additional fencing around the softball field
- ❖ New, higher light poles for the softball field
- ❖ New flagpole beyond the right field fence
- ❖ Walking/Bike Trail with benches for sitting and trees for shade
- ❖ Additional playground equipment
- ❖ Improvements to the parking lots (including the Kaufman Dog Park)
 - Patching holes
 - Sealcoating and paint striping
 - Possibility of additional parking spaces
- ❖ Improvements to the basketball court
- ❖ Other improvements depending on the amount of money donated

Donations are rolling in, and we need your support to help us reach our \$250,000 goal.

Please Donate Now!!!
