

## Ladies Football 4 Fun Mission Statement

Ladies Football 4 Fun exists to create a welcoming, women-centred football community where enjoyment comes first. We provide fun- filled. Friendly, and affordable football sessions that are open to all women- including transgender women and non-binary people who feel a women-centred space is right for them. Our mission is to remove barriers to the game, celebrate diversity, build confidence and ensure everyone can play football in a safe, supportive and judgement- free environment, no matter their background or experience.
