

CAPABILITY STATEMENT

Capabilities

- Prototype development of electro-optical instruments
- Photonics design
- Laser and optical sensing solutions
 - Lidar
 - Spectroscopy
 - Holography
 - Drone-based implementation
- Atmospheric measurements
 - Wind
 - Trace gas concentration
 - Aerosol profiling
- Feasibility studies of areas listed above
 - Technology assessment
 - System design
 - Risk analysis

Contact Information

Chief Executive Officer: Melissa Koch
email: melissa@apexphotonics.tech
web: apexphotonics.tech
text/voice: 757-353-5617
address: 2110 Forest Gate SW
Huntsville, AL 35802

Company Data

Apex Photonics, LLC is a woman-owned small business.

CAGE Code

12G78

DUNS

138796907

UEI

P91PB61PDJK2

NAICS Code

541330
