

5 Month Elemental and Ancestor Lifeshop

Exchange \$777.00

During each of the 5 months:

We share curiosity, inquiry and ceremony honoring 5 elements, 1 element each month.

The inquiry evolves through the lens of our unique relationships with these elements and with those that came before us, our ancestors.

How these relationships emerge and are revealed initiate our chosen Re-memberings of who we TRULY are.

*Water (1&6) Offering Forgiveness and Reconciliation
(always with choice to dip, dunk or dive)*

*Fire (2&7) Connection to the Spirit realm
(From smoke screen to transformational connection)*

*Nature (3&8) Manifesting from soil and seed to mighty Oak
(From the "I can't" to the "I can")*

*Mineral (4&9) The passing down and remembering of wisdom stories and traditions
(From analysis to paralysis to the graceful art of ancient telling)*

*Earth (0&5) Hearth, Home, Nurturing and Nourishing (all elements together)
(From giving to depletion to harmony between giving and receiving)*
