ANIMAL COMMUNICATION SWITCHES ON YOUR NATURAL ABILITY TO CONNECT TELEPATHICALLY, AND EXPANDS YOUR LIFE EXPERIENCES

INTRODUCTION TO PROVEN PATHWAYS WHICH WILL:

UNBLOCK YOUR TELEPATHIC ABILITIES,

REAWAKEN YOUR EMOTIONAL HEART TO HEART CONNECTION

WITH ANIMAL COMPANIONS, HERE OR IN SPIRIT.

Our Time together will include:

- * Practical ways to switch on your telepathic skills
- * Time to quiet your mind to the chatter that can block you
- * Easy protocols to ground you and let go of the expectation of what it should look like
- * Time to be still and open your imagination
- * An opening to the simplicity of receiving language, vision and sensory communication
- * An honoring of animals, asking for permission and releasing an agenda
- * Animal communication readings from photographs you share of your animal companions either here or in spirit
