J. F. REID HAS 1179 MAJORITY FROM 73 POLLS

ELECTION OF INDEPENDENT UNIONIST WITH HUGE MAJORITY ASSURED - 43 POLLS TO HEAR FROM.

Mr. John F. Reid, the Independent Unionist candidate was elected as representative for Mackenzie by a huge majority on Monday and from present between 1200 and 1300 when the returns are all received.

Reid's supporters entered the fight with the greatest enthusiasm and every vote was won, the Great War Veterans providing scrutineers for upwards of 25 polls. They insisted upon a strict enforcement of the election act and many whose names were on the list, but who had no right to vote, were prevented from casting a ballot.

On the other hand the polls were very poorly manned for McPhee, the much vaunted organization which Malcolm MacLean was supposed to have prepared, proving but a myth.

The results at the various polls from which returns have been received to date are as follows:

Table with 2 columns: McPhee, Reid. Rows: Boksby, Anemone, Yorkton, Court House, Security Office, Logan & Black, Victoria School, Town Hall, Kilmarnock, Power House, Jereau, Lockout, Cherryfield, Maxwellton, Touchwood, Hubbard, Jeshburgh, Beaverdale, Menno, Ebenzer, Oreada, Springside, Creekside, Gladwin, Theodore, Whitesand, Homestead, Gorlix, Wallace, James, Mulook, Sunnyside, Alva, SOEY, Rannymede, Cole, Vernoe, Poplar Springs, Drobot, Insinger, Shebo, Patterson, Canors, Verogin, Kamsack, Prairie Queen (maj.), Duck Mountain, Nejarada, Winton (maj.), Meadowvale, Pelton, Buchanan, Rama, Netherlin, Echo Lake, Stonewall, Margn, Invermay, Pelly, Raring Lake, Bear's Head, Pudola, Sunny Isle, Nyas, Stevon, Sturgis, Preecoville, Parkview, Wood Rock, Good hue, Danbury, Arshe'lla, White Beach, Cowan Plain, Togo.

Tuesday evening's Council would have been an uneventful one but for the serious charges of political partisanship and negligence of duty preferred against the Chief of Police by the Council.

Some of the difficulties in the way of efficient law enforcement under the present act and with only one night watchman as assistant were pointed out by the Chief and others and it was finally decided to ask the Provincial Police department for the assistance of some plain clothes detectives to round up some of the guilty parties.

WIN THE WAR UNIONISTS CELEBRATE GREAT VICTORY

TRIUMPH FOR TRUE DEMOCRACY OF PEOPLE OVER THE MACHINE - SOVEREIGN RIGHT OF PEOPLE TO SELECT THEIR OWN REPRESENTATIVE VINDICATED - THREE WEEKS OF ENTHUSIASTIC, ENERGETIC WORK UPLIFTS YEARS OF CAREFUL SCHEMING - CANADA RAN ABSOLUTELY TRUE ON GREAT ISSUE OF BACKING UP SOLDIERS AT THE FRONT - WRONG-DOERS TO BE PROSECUTED - \$325.00 FOR HALIFAX SUPPORTERS.

The committee rooms proved all too small to accommodate the large number of John F. Reid's supporters who assembled on election night to celebrate the great victory for Union Government in Mackenzie and throughout Canada and adjournment was made to the town hall where telegraphic results from all parts of Canada were received.

The hall was packed to the doors and the enthusiasm which the splendid victory in Yorkton and throughout the constituency had created increased as returns continued to come in indicating that Union Government had been endorsed by Canada and that the country as a whole was overwhelmingly in favor of carrying on the trench and supporting the men in the trenches.

Lieut. A. C. Stewart was elected chairman of the meeting and performed the duties of that office in a most creditable manner, calling on a number of the most prominent workers in the Win-the-War Unionist Association for brief addresses during the evening. The defeated candidate or his supporters were also invited to deliver addresses but there were none present.

At 9 o'clock Mr. John F. Reid, the victorious candidate, arrived having spent election day at a poll near Sherbo. He was met at the depot by a large delegation of his supporters and escorted shoulder high to the town hall, where he received a great ovation, the demonstration lasting for some minutes.

The committee of the Halifax Relief Fund is recruiting for the next few days a limited number of cooperators, engine-fitters, lathe hands, ironworkers, cooks, shoemakers, and police (if-possible, if possible) for the relief of Halifax.

Major Peaker congratulated Mr. Reid and his supporters on their victory. The sovereign right of the people to select their own candidate had been vindicated. A most disgraceful attempt had been made by outsiders to dictate to the people of Mackenzie who their candidate should be and to resist this attempt the Win-the-War Association had been formed.

Mr. J. A. M. Patrick's appearance was the signal for a demonstration and his opening remark that "more than he had taken a smash at the machine that day" received great applause. This had been a memorable day for Saskatchewan and for Mackenzie and the result showed that it was not a fight of race, creed or color, but for true democracy. Mr. Reid will make a splendid representative and Mackenzie will be heard from at Ottawa.

Today's victory marks the end of machine politics in this district. The people are tired of the machine and when they unite the victory is sweetly because obtained honestly and fairly. During the war and the reconstruction period which will follow the return of peace the problems will be too serious to entrust to party politicians. We had the day when we can unite without sacrificing our principles and by uniting bring the good that exists in all parties to the common task.

SOLDIERS' BLOCK VOTE WILL NOT BE USED HERE

DELEGATION INTERVIEWS HON. J. A. CALDER AND RECEIVES DEFINITE ASSURANCE THAT THE ONLY SOLDIER VOTES THAT WILL BE COUNTED IN MACKENZIE WILL BE THOSE DESIGNATED FOR THIS CONSTITUENCY BY MEN THEMSELVES - NOT ENOUGH OF THESE TO OVERCOME HUGE MAJORITY FILED UP BY VOTERS OF RIDING - REID'S ELECTION SOURCE OF SATISFACTION TO UNIONIST COMMITTEE.

None of the votes cast for the Government at large would be used in Mackenzie, Mr. Calder assured the delegation. As the Mackenzie soldier votes will not be sufficient in number to overcome the huge majority that is piling up for Mr. Reid he was assured that he might return home with absolutely no fear as to the outcome.

They received the absolute assurance of Mr. Calder that the only soldier votes which would be credited to Mr. McPhee (who was given the official endorsement by the government) would be those designated by the soldiers themselves for the endorsed government candidate for Mackenzie.

MR. JOHN F. REID, M.P. Independent-Unionist candidate elected as Mackenzie's representative in the new Union Government by a sweeping majority.

Mr. John F. Reid, the Independent Unionist candidate was elected as representative for Mackenzie by a huge majority on Monday and from present between 1200 and 1300 when the returns are all received. The Imperial Flying Corps

ATHLETIC YOUNG MEN BETWEEN 18 AND 30 YEARS OF AGE WANTED BY YORKTON COMMITTEE.

In the closing drama of the Great War, air fighting is destined to play a big part. Recruiting for the Royal Flying Corps is now proceeding on a large scale in Canada. A recruiting committee has been established at Yorkton consisting of T. E. Vanstone, Chairman; B. W. Wallace, secretary; J. W. Lightbody, Sales Manager of the International Harvester Co., and W. N. Finlay, Principal of the Collegiate.

This Committee is now calling for applications from athletic young men between eighteen and thirty years of age, who wish to join this, the most attractive branch of the Imperial service. The requirements include two years' attendance at Collegiate or its equivalent, and a gentlemanly appearance in case of desirable candidates, who have not more than a public school education, provision has been made to accept such candidates for service, after taking, at their own expense, a prescribed course which is estimated to require about six weeks. This course may be taken at any place where a competent teacher can be obtained and when completed, the teacher's assurance of proficiency in the various subjects would be required.

Applications to join this service may be made any member of the Committee.

Some of the difficulties in the way of enforced law enforcement under the present act and with only one night watchman as assistant were pointed out by the Chief and others and it was finally decided to ask the Provincial Police department for the assistance of some plain clothes detectives to round up some of the guilty parties.

The committee rooms proved all too small to accommodate the large number of John F. Reid's supporters who assembled on election night to celebrate the great victory for Union Government in Mackenzie and throughout Canada and adjournment was made to the town hall where telegraphic results from all parts of Canada were received.

The hall was packed to the doors and the enthusiasm which the splendid victory in Yorkton and throughout the constituency had created increased as returns continued to come in indicating that Union Government had been endorsed by Canada and that the country as a whole was overwhelmingly in favor of carrying on the war and supporting the men in the trenches.

He was met at the depot by a large delegation of his supporters and escorted shoulder high to the town hall, where he received a great ovation, the demonstration lasting for some minutes.

A Signal Victory
In a brief address he thanked his supporters for the signal victory they had won against one of the most infernal machines that had ever attempted to thwart the popular will. The credit for the victory belonged to the electors and not to the candidate. It had been a hard fought fight and the victory was all the more appreciated because it had been obtained honestly and openly. The opposition had stopped at nothing but had been decisively defeated.

The Machine is Smashed
Mr. W. F. Goulden, president of the Mackenzie Win-the-War Unionist Association said the moment was the proudest of his life, not excepting that on which he had been present with his twins. The result showed that when the people unite the crook-

ed political machine has no chance. Mackenzie has spoken and in no uncertain voice. The district demands a square deal and is determined to stand behind the boys at the front. This will be the beginning of a new era in the political life of the constituency. The people want honesty in politics and clean government, the principles for which the Win-the-War Association stands. The people have smashed the machine and will never permit them to gain control of the situation again. The people are the masters, they should rule and they will rule.

Sovereign Right of People Vindicated
Mayor Peaker congratulated Mr. Reid and his supporters on their victory. The sovereign right of the people to select their own candidate had been vindicated. A most disgraceful attempt had been made by outsiders to dictate to the people of Mackenzie who their candidate should be and to resist this attempt the Win-the-War Association had been formed. He was proud of the verdict of the people of Yorkton and of the whole constituency. They treated the people and the people had not failed them. He was sure Mr. Reid would make a representative of whom all would be proud.

A Fight For True Democracy
Mr. J. A. M. Patrick's appearance was the signal for a demonstration and his opening remark that "more than he had taken a smash at the machine that day" received great applause. This had been a memorable day for Saskatchewan and for Mackenzie and the result showed that it was not a fight of race, creed or color, but for true democracy; Mr. Reid will make a splendid representative and Mackenzie will be heard from at Ottawa.

POLICE CHIEF CHARGED WITH NEGLIGENCE

COMMITTEE FROM CHURCHES ALLEGE LIQUOR LAW NOT BEING ENFORCED — COUN. LARMOUR CHARGED POLITICAL PARTISANSHIP AND INVESTIGATION WILL BE HELD.

Tuesday evening's Council would have been an uneventful one but for the serious charges of political partisanship and negligence of duty preferred against the Chief of Police by Council Larmour and a deputation representing three of the churches of the town.

Council Larmour's charges were based on the actions of the Chief when called to the power house pull on election morning and these will be fully inquired into at a special meeting of the Council to be held in the Council chamber tomorrow (Friday) evening. The Council as a whole will sit as a board of enquiry and anyone having any knowledge of the matters referred to is invited to attend and give evidence. The Chief denied that he had shown any partiality and stated that he courted the fullest investigation into his conduct.

The committee from the churches, consisting of Messrs. A. F. McNaughton, J. L. Magrath and J. W. Christie, with Mr. McNaughton as spokesman, alleged that the liquor act was not being efficiently enforced and that the Chief of Police was not doing his duty in preventing liquor consumption and raising blind pigs.

Some of the difficulties in the way of enforced law enforcement under the present act and with only one night watchman as assistant were pointed out by the Chief and others and it was finally decided to ask the Provincial Police department for the assistance of some plain clothes detectives to round up some of the guilty parties.

Canada to assert itself. Too long it has been dominated by the East and its agricultural interests have suffered and have received but scant consideration at Ottawa. This condition will be remedied by the new men elected to the Union Government from the West, among whom a true representative of the farming interests will take a leading place. We know the farming interests are well looked after by the country as a whole will not suffer.

The general result shows that the boys in the trenches are safe so far as the people of Canada are concerned. The fight has been on behalf of the men at the front and for the safeguarding of Canada's honor-precious issues and policies have been relegated to the background. This fact as it should be.

The speaker closed with an eloquent appeal on behalf of the Halifax Relief Fund to which a hearty response was made before the close of the meeting.

Cheering News for the Men Overseas
Mrs. Lawton, who took an active part in the campaign, her efforts in organizing the women in various centres having been in a large measure responsible for the big majority piled up—was given a great reception when called upon to speak. She felt that the greatest reason for rejoicing was on account of the men at the front. How the news of the Union victory would cheer and sustain them and give them strength to "carry on" until reinforcements reach them.

The women of the constituency worked gladly and energetically to defeat the machine and elect the Union Government and she asked the electors to go a step further and elect a Unionist Government in Saskatchewan. There are women trained and ready to take their place in the Legislature.

The Roll of Honor

LIEUT.-COL. MALCOLM DOHERTY

Wednesday night's casualty list again contains the name of Lieut.-Col. Malcolm Doherty, D.S.O., commander of Lord Strathcona's Horse (B.C.). He is listed as killed in action. On December 4 he was reported wounded, but his wounds were of a slight nature and he remained at duty.

It was only three months ago that he was appointed to the command, succeeding Lieut.-Col. J. A. Hesketh. Lieut.-Col. Doherty was a Winnipeg man, who, at the outbreak of the war, went overseas with his regiment with the rank of Lieutenant. He had been at the front since May, 1915, receiving first his captaincy and later his majority.

He was forty years of age, and had been a soldier for the last 21 years. He was awarded lieutenant in Lord Strathcona's Horse in January, 1914. He served in the South African war with the 2nd C. M. R., was mentioned in despatches, and received the Queen's Medal with four clasps.

He took an active part in the actions of Paardeburg, Poplar Grove, Dreifontein and Vet River, as well as operations in the Transvaal and Cape Colony. On November 24, 1916, he was invested by King George with the Distinguished Service Order for his conduct in the field.

UNION GOVT. RETURNED WITH 44 MAJORITY

SASKATCHEWAN SENDS SOLID PHALANX OF 16 SUPPORTERS—ONTARIO'S MAJORITY EQUAL TO ALMOST SOLID QUEBEC.

Indications are that the Unionist government will have a majority of 44 in the constituency already voted with a possibility of more when the soldiers' vote is counted and the votes of the overseas soldiers who did not designate a candidate have been added. In Alberta three seats are still in doubt, with the Unionist leader in two constituencies and the Laurier candidate in Battle River.

Prince Edward Island stands alone as unanimously in favor of the opposition, all four seats going to the Laurier candidates. The election of one more Laurier supporter in Ontario has been conceded since being Lapierre of Nipissing.

Of the eleven Ontario members classified as Laurier, Trent, South Bruce, Kent and West Middlesex, all supported the compulsory military service. The latest summary by provinces is as follows:

Province	Government	Opposition
Ontario	71	11
Quebec	48	48
Nova Scotia	5	9
New Brunswick	7	4
Manitoba	13	1

The committee of the Royal Flying Corps is recruiting for the next few days a limited number of coppermiths, engine-fitters, lathe hands, blanchards, cooks, shoemakers, and police (ex-constables, if possible). SOLDIERS' BLOCK VOTE WILL NOT BE USED HERE

Mr. John F. Reid, M.P., Mr. W. F. Goulden, Mr. W. R. Cowan and Mr. Peter Rossay returned home today from Regina where they had gone to interview the Hon. J. A. Calder with reference to the disposition of the soldiers' vote in the constituency of Mackenzie.

They received the absolute assurance of Mr. Calder that the only soldier votes which would be credited to Mr. McPhee (who was given the support of Union Govt.) and having won out without their endorsement they look upon him as a strong opposition to Saskatchewan's solid phalanx of Unionist voters.

King vs. Frank A. V. R. Smith for Crown v. F. C. Wilson for accused. F. C. Wilson was charged with stealing various articles of household wear and use from the woman's husband. Not guilty.

SIX MONTHS FOR KILLING MAN WITH AUTOMOBILE

THREE MONTHS FOR PLACING OBSTRUCTION ON RAILWAY TRACK — SUPREME COURT ADJOURNS UNTIL JANUARY 15.

The Honourable Justice Neill, who has been presiding at the sittings of the supreme court here for the past few weeks, completed the criminal docket on Saturday and adjourned until January 15, when the forty-two cases on the court docket will be dealt with.

Sentences were meted out in two cases where verdicts of guilty had been returned by the jury. One, that of a man who had been driving a motor car on a highway near Springfield last spring, was sentenced to three months' hard labor. King vs. Karabowski - V. R. Smith for Crown, W. W. Gunning defended the prisoner, who was accused of committing rape on a young girl, found guilty and sentenced to two years in Prisoner Albert penitentiary.

King vs. Venchuk - V. R. Smith for Crown, W. B. O'Hagan for defence. The accused was a woman from Calder charged with perjury in a rape case tried at a former sitting of the court. Found not guilty.

Another Galtian Row
King vs. Nalchuk and Zelenka - V. R. Smith for Crown and W. B. O'Hagan for prisoners, who were charged with assaulting Peter Krowchak at a dance in a farm house near Calder. Evidence shows that Krowchak went to the dance to see a girl, but in the excitement he was struck on the head with a bar of iron. Found guilty.

King vs. Frank A. V. R. Smith for Crown, F. C. Wilson for accused. F. C. Wilson was charged with stealing a few minor agricultural implements from a farm house near Willowbrook. Some of the jury were neighbors of the accused and could not see matters in the same perspective as the other good men and true, so disinterested and a new trial was ordered for next May sitting.

King vs. John Wosny and Alex Galdum - V. R. Smith for Crown and F. C. Wilson for accused. Both accused were charged with stealing various articles of household wear and use from the woman's husband. Not guilty.

King vs. Prokopchuk - D. C. Kyle for Crown, W. B. O'Hagan for accused, who were father and son, live at Hampton and run a threshing outfit. This fell accused through the crop of some farmers named Maskaik and went to take away grain from these people in disregard themselves for the threshing outfit. Maskaik requested and a relief granted. Found guilty and fined \$50 each or three months in jail. Fine paid.

King vs. Kruger - V. R. Smith for Crown and W. B. O'Hagan for defence. Accused was charged with presenting a false bill to Mackenzie Park with intent to commit perjury. It appeared that Kruger's account in cross the field of Kruger's former partner of Kruger had been perjured. Found guilty and sentenced to three months' hard labor. The accused had pleaded his right but nothing more happened beyond Maskaik crossing the field. His Lordship withdrew the case from the jury, pointing out that the criminal code permitted a man to use sufficient force to prevent trespass or as it was evident sufficient force had not been used there was no case.

King vs. Backlund - V. R. Smith for Crown and W. A. Balcan for accused, who is a young woman and was charged with perjury in connection with a larceny case in a former session before the court. Not guilty.

Another Machine To Smash There are other machines besides the one that has just been wrecked in Mackenzie, she said, and one existed in the Women's Franchise League in Yorkton. She asked the women of the town to support her and they would bust that machine too.

Fighting For Principle Mr. Wm. Black, president of the Yorkton Win-the-War Association said he had entered this fight to uphold a principle. It was a time to forget party politics and fight for mankind and he hoped we would continue to forget them and work together for the good of the country.

Canada Not Absolutely True Mr. Patrick congratulated Mackenzie on his new representative, one of the most outstanding farmers of the province, and on the honorable manner of his election.

2 1/2 Years' Efforts Defeated in 3 Weeks Mr. Robt. Barbour delivered one of the best speeches of the evening and in vigorous terms arraigned the machine tactics of the opposition and interestingly described the history of the fight.

Foreign-Born Voters Would Support Reid Mr. R. W. Cumming, president of the Mackenzie Liberal Association, arrived at this point, having spent the day acting as scrutineer at a poll in a foreign-speaking district.

Democracy Triumphant Rev. Mr. Tolford said he was proud of Mackenzie. Democracy had triumphed over the machine and the principle for which the fight had been waged had been vindicated.

Curse of Party Politics Mr. Peter Housley, president of the Grain Growers' Association and the man most largely responsible for calling the mass meeting which was the start of the campaign, explained that the movement had been started originally to clean up the political situation in Mackenzie and send a man to Ottawa who enjoyed the confidence of the people of the constituency.

Final Appeal Judge Gives Ruling on Exemption of Farmers

Mr. Justice Duff (the Final Court of Appeal) Declares it is Essential that there shall be No Diminution in Agricultural Production.

(Published by authority of Director of Public Information, Ottawa.)

Hon. Mr. Justice Duff gave judgment on December 6th, in the first test case brought before him, as Central Appeal Judge (the final court of appeal), for the exemption of a farmer. The appeal was made by W. H. Rowntree in respect of his son, W. J. Rowntree, from the decision of Local Tribunal, Ontario, No. 421, which refused a claim for exemption. The son was stated to be an experienced farm hand, who had been working on the farm continuously for the past seven years, and ever since leaving school. He lives and works with his father, who owns a farm of 150 acres near Westlop, Ontario. With the exception of a younger brother, he is the only male help of the father on the farm. The father is a man of advanced years.

In granting the man exemption "until he ceases to be employed in agricultural labor," Mr. Justice Duff said:

"The Military Service Act does not deal with the subject of the exemption of persons engaged in the agricultural industry; and the question which it is my duty to decide is whether the applicant being and having been, as above mentioned, habitually and effectively engaged in agriculture and in labor essential to the carrying on of agricultural production, ought to be exempted under the provisions of the Military Service Act.

"(1) In order that the military power of the allies may be adequately sustained, it is essential that in this country and under the present conditions, there should be no diminution in agricultural production.

"(2) The supply of competent labor available for the purpose of agricultural production is not abundant, but actually is deficient.

"The proper conclusion appears to be that the applicant, a competent person, who had been habitually and effectively engaged in labor essential to such production, ought not to be withdrawn from it.

"It is perhaps unnecessary to say that such exemptions are not granted as concessions on account of personal hardship, still less as a favor to a class. The sole ground of them is that the national interest is the better served by keeping these men at home. The supreme necessity (upon the existence of which, as its preamble shows, this policy of the Military Service Act is founded) that leads the State to take men by compulsion and put them in the fighting line requires that men shall be kept at home who are engaged in work essential to enable the State to maintain the full efficiency of the combatant forces, and whose places cannot be taken by others not within the class called out."

Ottawa, Dec. 8, 1917.

THE VOICE OF THE PEOPLE

Mackenzie is safe. The people have risen in their might and elected a man of their own choice as their representative in parliament. They have struck off the shackles of machine domination and have taught political tricksters, both at home and abroad, a lesson that will never be forgotten. Never again will outside manipulators attempt to interfere with the sovereign right of the people to say for themselves who shall be their representative in parliament.

The victory was an overwhelming one. The people were aroused, they fully understood the great and vital issues at stake and they have struck a mighty blow for liberty and true democracy. They have elected a man who will ably, honestly and fearlessly discharge the obligations of his office with credit to himself and the constituency he represents.

Mackenzie, a truly rural constituency, will be represented by a farmer of long and varied experience. The agricultural interests of the West are safe in the hands of such men as John F. Reid. He knows from long experience the needs and difficulties of the men on the land. For many years he has devoted his energies to bettering their conditions as an officer of the Grain Growers' Association. In his wider sphere of influence their needs will be his greatest concern and we look for many needed reforms for western agriculture from the large representation of Western Grain Growers elected to the new parliament, among whom the member for Mackenzie will take an active and influential part.

Much could be written concerning the local campaign and the methods employed to defeat the will of the people but The Enterprise has no desire to gloss over a fallen enemy. We know from experience this would not be the attitude of our opponents, had they been successful, but this defeat may teach them to be less boastful in future. The Enterprise took an active part in the campaign and forced home many unpalatable truths. But they were truths and if the issue were to be fought over again we would pursue the same undeviating course.

The result of the fight throughout Canada and especially in the West is most gratifying. It has demonstrated that the heart of Canada is sound. The tie that binds us to the Motherland is stronger today than ever before and having entered a great world-war for freedom and justice we will see it through. The boys in the trenches are safe so far as we are concerned. Canada is behind them and the reinforcements so sorely needed will not be longer delayed. A united and determined people will support them until victory is won and a government pledged to bring about many needed reforms and strengthened with a mandate that cannot be questioned will see that Canada does its full share to bring about the restoration of world peace and the downfall of the unspeakable Hun.

NOTES AND COMMENTS

The press of Canada has been the greatest force in bringing about the formation of Union Government in Canada and one of the outstanding leaders in the movement has been the Manitoba Free Press. To John W. Daffoe's fearless advocacy and able pleading the Union Government owes more than it will ever realize and the people of Canada a great debt that should not be forgotten.

CONCERNING MACHINES

Now that the election is over and there is no political advantage to be gained or lost, let us state most emphatically and unequivocally that the Conservative "machine" had no part in the recent contest. In the first place there is no Conservative "machine" in the constituency. The only "machine" left in Mackenzie today is that maintained by the provincial government at the expense of the people and it is time it was thrown into the dump along with the one that was so badly smashed on Monday. Conservatives as individuals supported Mr. Reid almost to a man, although much political capital was made of the fact that McPhee was nominated by a Conservative. McPhee's supporters have been machine-ridden so long that they have become obsessed with the machine idea. Monday's lesson should teach them just how obsolete and worthless machines really are, especially the much vaunted Liberal "machine" in Mackenzie.

STILL LYING

The campaign of misrepresentation and deceit conducted by McPhee's lone journalistic supporter, and which had such disastrous results, seems to have turned him into a confirmed falsifier. This week's issue of The Press represents his crowning effort for the honors that have heretofore belonged to Munchausen, although on election night he ably sustained his unenviable reputation when he sent the following despatch to the daily papers of Saskatoon, Regina and Winnipeg:

Yorkton, Dec. 17.—With 65 polls to hear from, Reid, the Independent Conservative, leads by 1,124. The poll recorded is the smallest on record in this constituency, hundreds of voters being intimidated and prevented from voting by threats from discharged soldiers in uniform and local Tory machine workers. The campaign against McPhee, the union government candidate, has been most unscrupulous, and a dead set was made against him on purely personal grounds, the whole weight of the Tory machine being used in an effort to defeat him.

This report was so ridiculously false on the face of it that out of all the papers to which it was sent only one gave it a place in its columns, and that all might judge of its reliability for themselves. It was headed, "McPhee's Report."

NOTES AND COMMENTS

"Whom the gods destroy they first make mad," is a favorite saying of The Yorkton Press and judging by the School Board editorial in this week's issue it appears to have reached that unhappy condition. All we have to say to this trouble-mongering sheet in this connection is that, had the candidates seeking election in opposition to the retiring trustees been better qualified for the position than the men whom they sought to replace, they would have had our support. The citizens of Yorkton understood the situation from A to Z and re-elected the retiring trustees with safe majorities. The Enterprise left the matter entirely to the people to decide and we are content with their verdict.

TO THE ELECTORS OF MACKENZIE

Ladies and Gentlemen: I desire to thank the electors of Mackenzie for the splendid support given me on election day which resulted in such a magnificent victory for the people. My thanks are also due to the ladies and gentlemen who worked so hard to help to secure my election as the Unionist member for this constituency.

You may rest assured that no effort will be spared on my part to press forward and support every measure directed to a vigorous win-the-war policy and to strengthen the hands of the Unionist Government in every possible manner.

Yours sincerely,
JNO. F. REID

TO THE ELECTORS OF SALTCOATS

To the Editor of The Enterprise. Saltcoats, December 19, 1917
Sir,—I wish, through your columns, to thank the electors of Saltcoats who worked and voted to secure one more supporter for the Union Government, and obtained such a notable victory. I believe we can have every confidence that the Government so firmly established, will vigorously carry on Canada's share in the "winning of the war," will keep the old flag flying and will not desert our gallant lads at the front.

Yours faithfully, THOS. MacNEPT

"INTOLERANCE"

Or, Love's Struggle Throughout the Ages

It is the most daring innovation in the history of drama since the time of the Ancient Greeks. It cost more than any ten plays you ever saw. There are 125,000 people in it, 7,000 horses and 1,500 chariots. The plot annihilates time and space. Four stories in different eras of the world's development merge into a mighty climax that keeps alive the hope of redemption in the heart of man and reveals the evolution of a thousand centuries.

A new art form that illumines every fundamental beauty of Drama, Music, Literature and Painting. It is pre-eminent because it tracks intolerance to its lair and dares to tell the truth.

The members of Northern Star Rebekah Lodge No. 40 met last night at the home of Mr. and Mrs. Frank Bull, for a social gathering in honor of Miss Minto French, the retiring Treasurer of the Lodge.

During the evening the Noble Grand, sister Livingston, presented Miss French with some silverware, accompanied by an address, read by Miss E. Popson, as a slight token of the esteem in which she is held. A very enjoyable time was spent, the Misses Schreiner and Klemm providing music in their usual inimitable style.

Miss French has accepted a position in Moose Jaw and carries with her the best wishes of a large circle of friends.

PRESENTATION TO MISS FRENCH

Nearly 80 students and their guests were present at the Christmas At Home held at the College on Wednesday evening. The function was voted a great success and was thoroughly enjoyed by those present. A whilst drive occupied part of the time and dancing filled up the remainder of the programme. Suitable prizes were awarded to the winners at whilst, who were Misses Morrison and Ramsey and Messrs. Marchbank and Poulter. Mr. Marchbank going through the whole series of games without losing a single point. The premises were very prettily decorated with the college colors and gaily draped with flags.

An absolute necessity at Christmas. They certainly make a charming gift that is sure to be appreciated.

RED CROSS CONCERT GREAT SUCCESS

(Contributed)
A very successful Red Cross concert was held at St. Gerard's hall, Third Avenue, last Friday evening, and despite the inclemency of the weather, there was a very good attendance, and those present were well rewarded and spent a very enjoyable evening.

Mr. V. R. Smith made an excellent chairman and the program never dragged for a moment. Mr. Dobson opened the concert with an exhibition of blindfold piano playing, and Mrs. Kyle gave a piano solo in her usual excellent style. Miss Ferguson sang "Where My Caravan Has Rested," in a very pleasing manner. "The Veteran's Song" sung by Mr. D. S. Larbour, was well received by those present. Mrs. Knox sang with her usual sweetness and charm. Mrs. C. W. Aikin rendered that old favorite, "Oh, Dry Those Tears," which well suited her rich contralto voice. Mrs. S. N. Wynn was very pleasing. "Mother Maclure," was well sung by Mrs. S. J. Cahill, and Mr. Vanstone's song was well received. But where all sang so well it would be impossible to single out any in particular.

Thanks are due to Mrs. Maguire and others who ably accompanied the vocalists.
But we think the most popular part of the program with the audience were the readings and impersonations given by Mrs. Chas. Bradbrooke. Those who have heard her know just what that means, and those who have not we advise to do so at the first opportunity.
The program concluded with a few remarks by Father Kane, who expressed his pleasure at seeing so many present, and said that he would always be pleased to let anyone have the use of the hall for any concert, etc., in aid of Red Cross and similar objects. Then after singing the National Anthem the audience dispersed.
After the concert the ladies of St. Gerard's church served a light lunch to the artists and their friends.
The committee in charge of the concert would like to thank all the artists who made the concert so great a success, and who assisted in any way. The amount raised for the Red Cross Society was \$68.00.

Authentic news has come from Germany that the greatest munition and chemical factory in the world, situated near Frankfurt, was destroyed by an explosion on November 22.

Wedding Bells

CHANT-WUNDER
The marriage of Miss Viola Wunder, and Mr. Russell Havelock Chant, D.D.S., of Foam Lake, was solemnized at the residence of Mr. and Mrs. Peter Wunder, parents of the bride, at Shebo, Sask., on Friday, December 14, the officiating minister being the Rev. J. South-Windsor, of Wilkie, a former pastor. The wedding was of a private character, only immediate members of the family being present.

After the ceremony a wedding supper was given and the happy couple left on the eastbound train for the honeymoon.

The bride, who is the youngest daughter of one of the earliest families to settle in the Shebo district, and the groom, who has for a number of years occupied a prominent place in the town of Foam Lake, have a host of friends who wish them every happiness.
Mr. and Mrs. Chant will reside at Foam Lake.

FRANCE'S FOOD SITUATION

In a recent statement issued by Mr. Maurice Long, Minister for General Revictualing of France, it was shown that the 1917 wheat crop of France was only 39,900,000 hundredweights as compared with 47,430,000 in 1913, 74,320,000 in 1914, 50,430,000 in 1915, and 58,410,000 in 1916. The entire production in France this year of cereals, potatoes and beet-root was only 722,000,000 hundredweights as against a production in 1913 of 858,000,000. From this it is evident that with the most rigorous rationing, France will require to import during the coming year not less than 40,000,000 hundredweights of cereals. It lies chiefly with the North American continent to make up this shortage.

A HEARTY SCOTCH WELCOME TO YORKTON SOLDIERS

The following letter recently received from Glasgow should be of interest to Yorkton soldiers overseas and to their relatives here.

"Perhaps many in Yorkton may be pleased to hear that I had a visit from Lt. Talbot-Crosbie on Friday last. He was in uniform, and looking fit and well. The city of Glasgow is well visited by the Canadians. Seemingly so far as I find, the boys like Scotland in preference to England. Needless to say I come across quite a bunch of Canadians in this city and many a one I've shown around and had up for supper.

Now, Lieut. Crosbie was looking remarkably well, smiling all over as usual, although separated by the Atlantic from his wife and family.

If any of the Yorkton boys should come to Glasgow, they should call on me (unless, of course, they have friends of their own). I guarantee they will feel more at home in this city if they look me up.

As I spent a great deal of my time in Winnipeg, I consider myself practically a Canadian. Now if The Enterprise cares to publish the fact (a paper which I am sure many of the boys will get) that I am open to give them a warm "shake" and will be all in my power to return some of the kindnesses which I have been shown in the Dominion if they will only take advantage of my warm invitation. Or if any of the Yorkton boys are injured or wounded in hospital, or around Glasgow, if their parents care to write me I will be pleased to look them up and help to break up the loneliness a bit.

"To many in Yorkton I am well known so they can trust writing me, as I take a delight in helping the boys so far from home."

ALL THE DISTRICT HAPPENINGS AND TOPICS OF INTEREST TO AGRICULTURISTS

THEODORE

Theodore, Dec. 17.—We extend our congratulations to Dr. and Mrs. Ekins on the birth of a son Sunday, December 16.

The party machine seems to be somewhat in need of being put on the scrap heap.

Miss Kirkland has been offered an increase of salary to induce her to remain in Theodore public school. Miss Kirkland is counted one of the best primary teachers in the province.

The people of the Mackenzie district must be a stupid set not to elect a Unionist in Parliament.

G. W. Bewick of Regina, is in town today.

Willie Thompson, son of Mr. and Mrs. J. F. Thompson, has been officially reported killed in action. Mr. and Mrs. Lewis, of Tuffnell were in town over Sunday.

Over four hundred dollars was raised for the Halifax sufferers through the efforts of Dr. Ekins and Mr. O. A. Thomas.

Interesting times are coming in public school affairs apparently.

There is no place like one of these villages to live. One excitement is no sooner past than another one rises. We ought to have a wedding or an engagement soon.

There are certain public conveniences needed in Theodore. Guess what they are and then you won't blame the correspondent for naming them.

The new councillors are Messrs. J. Smith, J. P. Baxter and A. Thompson. Mr. Smith has experience on the Council and Mr. Baxter has been secretary-treasurer for town and school for some time. Good luck, boys!

TORKIN

Torkin, Dec. 17.—The annual meeting of the Torkin Sunday School was held in the church basement last Wednesday evening. Very encouraging reports of the year's work were given. The officers for the coming year were elected as follows: Superintendent, Mr. E. F. Lowes; assistant Mr. A. S. Gallander; secretary-treasurer, Mr. S. Gallander; assistant, Mr. G. R. Kerr; Cradle Roll Superintendent, Mrs. E. F. Lowes, assistant Mrs. E. Gallander.

The Torkin Sunday School is sending copies of the "Onward" to the boys at the front.

An interesting report of the Older Boys and leaders conference held at Saskatoon last week was given last Sunday by Messrs. E. F. Lowes and S. Gallander.

Miss Franks who has been visiting relatives in this district, left for Edmonton last Friday morning. She was accompanied by Mr. Sidney Gordon, who has spent the past year and a half at the home of Mrs. Bryan.

The hour of Sunday School here has been changed for the winter months to 1:45 and the preaching service to 3 o'clock each Sunday. Next Sunday a special attractive Christmas service has been arranged. The choir will render suitable music and Miss Tracey of Theodore will be the soloist. Rev. T. H. Sandall will speak from the subject "How we should spend a War Christmas." Help to make a crowded church.

The young people and scholars of the Duplessis school district are putting in lots of practice for their Christmas tree and concert next Friday evening. A good crowd is supposed to be present.

Mrs. Middleton had the misfortune to fall downstairs and injure her knee last week.

Mr. James Miller has gone for a visit in his mother and other relatives in Iowa, U.S.A.

A consignment of stock was shipped from this point last week by Mr. D. Muir of Rokeby.

We are glad to report that Mrs. E. F. Lowes has made sufficient progress to be able to leave the Winnipeg hospital and hopes to be home for Christmas.

Messrs. F. Sherman and C. R. Perkins returned from Regina last week where they represented the Wallace municipality at a convention held there.

Well done, Canada! Now for a real progressive government now that we have a Union Federal House. Let us have the event duplicated in the Provincial house; why not?

ROKESBY

Rokesby, Dec. 18.—Well done Rokesby! You took a splendid part in the field so generously won in the Mackenzie constituency, thus showing to all concerned you stood for clean politics and the end of party machines. The vote of 74 in favor of Reid as against only 11 cast for McPherson was no uncertain expression of opinion, but then, what else would you expect from Rokesby? It was interesting to note that everyone in the whole polling division of Rokesby who were entitled to vote used their franchise with but few exceptions.

The Red Cross Funds will benefit to the extent of \$21.45 because of the progressive spirit of a number of ladies who served lunch during the hours of polling in the school house last Monday. Mrs. Ralph Farrell made an admirable motion in charge and was well supported by Mrs. J. Caskey, Mrs. S. Caskey and Mrs. Walker.

The Christmas tree and concert to be held in the school house next Friday evening will be something new and decidedly interesting for Rokesby. It is hoped there will be a large turnout to support the children who are becoming very apt under the training of Mr. Giegie. A collection is to be taken on behalf of the Overseas Y. M. C. A.

Despite the unfavorable weather, the sale of work and tea held in the school house last Friday afternoon and evening by the Presbyterian Ladies' Aid was an unequalled success. The proceeds netted the splendid sum of nearly \$70. Well done.

Rev. A. Blue is conducting a week evening Bible class in Rokesby.

Mr. E. Young has taken up his residence in Rokeby for the winter months.

Everyone should be out at least for one of the Christmas services next Sunday. The Presbyterian service is held in the church in the afternoon and the Methodist service in the evening at seven o'clock in the school. Special music at each service. Rev. T. H. Sandall's evening subject is "Another Christmas in War Time." All are assured a hearty welcome.

THEODORE

Theodore, December 19.—Mr. and Mrs. Wm. Anderson, of Beaverville, were visitors to town today.

Mr. and Mrs. Stanley Lewis, of Tuffnell, were week-end visitors at the home of A. C. Tracy.

Mrs. Kyle, of Yorkton, is the guest of Mrs. Ekins this week. Also a sister of the doctor.

Axel Ericson has been exempted by the Judge from military service.

Miss Lillian Fredericksen is visiting Mrs. Hansen this week.

The boys were treated to cigars as the result of the stock raising at the home of Dr. Ekins and leaving a bouncing baby boy.

The election results were received with great satisfaction by those who have boys at the front.

Mr. Jas. R. Merkley has just completed the most up-to-date barn in this vicinity.

Some of the citizens are suffering with jaundice.

ROGACHA

The weather being AI for inter-changing moods, the twins are taking the full benefit.

"Spud the sw" is brought into the community in various disguises but it never gets any further than its name.

Our brother Jack having a handle in answer for "What's the use of adding to the list."

The man of learning must go on providing as there is no letting up at his time of life.

McNab of the East has decided to hush the black yoke and the Gaf when they are selling locally at 65 and 55 respectively. No doubt Crumie will get an extra pair at feeding time.

Our solid foreman has got a new job. Wonder if he can keep quite and seeing he has already raised some stout.

Some people when they get their nose above the condition they are too apt to think that all odd sundry should be at their back and it's the saying of the plebeian boy is still apt.

O' wad some power the giffle gie us. The sic surra is as thirs sic us.

The creed is still the same as in the days of Herod. Those classed as sinners above all else, 'tis their lot to help the fallen while the ornamental hypocrite passes by on the other side.

ANGELIC CHURCH SERVICES

will be held on Sunday, December 23rd, as follows:

11 a.m. Christmas Communion at 11 a.m.

Theodore: Evening and Sermon at 7:30 p.m.

Christmas Day Holy Communion: 9 a.m. at Spring-side.
