## POSITION AVAILABLE – OPEN WHEEL RACECAR MECHANIC

Sam Pierce Racing with AP Driver Development is currently accepting applications for an experienced full-time open wheel racecar mechanic to work at the multi-time race & championship winning race team's Daleville Indiana race shop and headquarters.

Preferred duties, responsibilities and requirements include:

- Experience with basic race car mechanical skillsets
- Basic computer skills
- Basic welding and fabrication skills
- Experience with or desire to learn performance shock absorber building & rebuilding techniques and operate shock and spring dynamometers in a dedicated shock room / service center.
- Experience with or desire to learn to assist in the operation of a Dyno Jet race engine dynamometer
- Experience with or desire to learn basic two-way radio communications & equipment and assist in trackside spotting duties
- Ability and willingness to work long hours in physically demanding trackside and race shop environments
- Ability and willingness to travel for periods of up to ten days
- CDL Driver's License preferred

Compensation to commensurate with experience and performance.

For further information or to apply for this position please contact Aaron Pierce (317) 517-7848 or [aaron2655p@gmail.com](mailto:aaron2655p@gmail.com).
