**PLEASE NOTE:**

There are six meets; I kept the schools per meet to eight however, there will be a couple of meets with five teams each due to Charro Days and the Brownsville city meet. A city with one school will have to host a second meet once every few years. Please plan for this in the future. This will be the order for the next few years.

**Rotating schools- San Benito, Edcouch Elsa, Mercedes, and Los Fresnos**

2024- San Benito 2 meets  
2025- Edcouch Elsa 2 meets  
2026- Mercedes 2 meets  
2027- Los Fresnos 2 meets

**Thank You**
