PMP Exam Preparation Course

PMP® certification is the gold standard in project management. Recognized and demanded by organizations in Canada and USA. It validates your competence to perform as a project manager.

WORKSHOP DESCRIPTION

- This 6-day, 12-sessions instructor-led online PMP Exam Prep program provides a detailed review of everything that participants need to pass the PMP exam.
- In addition to course material provided by PMI, the first day will cover key issues related to the exam such as : completing exam application form, planning your exam projects, how to study , and how to answer all types of exam questions.
- **For more detailed information on the course content, please visit our website at:**
- **www.peii.ca**

- The program is 6 days (42 hours), much more than PMI certification required 35 hours to qualify for the exam. The program is divided into 12- 3 ½ sessions. This is done purposely in order to ease the participants into the topics and give them enough time to study.
- The program provides a detailed review of everything that the participants need to pass the exam.

You could get certified as a PMP in 3 or 4 months after course commencement. Let us show you how
