Company Overview

MyProtectiveGear, Inc. provides high quality, medical equipment and accompanying supplies to our clientele. We have 37 years of extensive industry experience, various credentials, and offer an array of options.

Our specifications include but are not limited to: N95 or N99 supplies, surgical masks, protective gear, and logistics support. In addition to a diverse background, we have exclusive distributorship of personal protective equipment, ensure competitive pricing, on-time delivery, and more. Here at MyProtectiveGear, Inc., our team of professionals achieve maximum client satisfaction through being innovative, flexible, service-oriented, and performance-driven.

Please contact us today for additional information on our company and federal contracting abilities.
