Trusting God

One of my favorite verses is Proverbs 3:5-6, "Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge him, and he will make straight your paths."

This verse reminds me that when life brings its twists and turns that catch you by surprise—trust God. When life comes at you fast, and you find yourself in a storm—trust God. We have examples in the Bible of men and women who trusted God in their tough seasons of life. The roll call includes Joseph, Job, Esther, and Ruth. They all trusted God in all of their difficult seasons.

I want to encourage you to trust God in all of your tough and difficult moments. Whether you are wrestling with cancer or career—trust God. God always cares for you!

Ask yourself, "When are the times that I do not trust God?" Write it down and pray and ask God to strengthen you in those times. The Holy Spirit can help you in your difficult times.

Make up your mind that you will respond in faith and not in fear. Your trust in God will help you overcome your fear. "For God has not given us a spirit of fear, but of power and of love and of a sound mind" (2 Timothy 1:7).

So when you face your next Goliath or your next rough side of the mountain—trust God.

God loves you and has not brought you this far to leave you!
