

**NORTHERN VIRGINIA SECTION
NATIONAL COUNCIL OF NEGRO WOMEN, INC.
SCHOLARSHIP COMMITTEE**

Greetings,

The National Council of Negro Women (NCNW) was founded in 1935 by Dr. Mary McLeod Bethune. NCNW is a national organization committed to helping all women and families strengthen their communities and improve quality of life. We, the Northern Virginia (NoVA) Section of NCNW, are a dedicated group of volunteers whose sole mission is to implement NCNW's goals throughout the Northern Virginia area. The NoVA Section was chartered in 1976 and has grown to be one of the largest Sections in the Mid-Atlantic region. Our multitude of successful community service initiatives within the Northern Virginia area include conducting and supporting health events, packing care packages for active military personnel, feeding the homeless, and giving grants/donations to schools and other community establishments.

The NoVA Section is hosting our **Fourth Annual Oratorical Scholarship Competition** with the mission to provide scholarships to college-bound seniors. We are seeking African-American or African-descent high school seniors to apply for "**Prepared For Change, Motivated By Challenges And Ready For Growth**" scholarship. This year's scholarships will be awarded to deserving recipients in the amounts of \$1,500 (1st place), \$1,000 (2nd place), and \$500 (3rd place).

Enclosed is a copy of the complete application package. Feel free to make additional copies and distribute to students who meet the criteria. Please encourage all eligible seniors to apply for this scholarship. If you need additional information, please send an email to NoVANCNWScholar@gmail.com or call 703-829-7449.

Sincerely,

Karita L. Richardson

WARNING: Adulthood Is On The Rise.

STEAM is an educational approach to learning that uses Science, Technology, Engineering, the Arts and Mathematics as access points for guiding student inquiry, dialogue, and critical thinking. The end results are students who take thoughtful risks, engage in experiential learning, persist in problem-solving, embrace collaboration, and work through the creative process. These are the innovators, educators, leaders, and learners of the 21st century!

Reflect on the ultimate goal of pursuing an education. We often think that getting a degree will solve many problems. Does it really? Moreover, the job market favorably leans more to the IT and STEAM professions. How will this impact your future education path, decisions and financial challenges?

Application must be emailed to NoVANCNWScholar@gmail.com by Wednesday, January 29, 2020 or mailed to NoVA Section NCNW, P.O. Box 119, Merrifield, VA 22116 postmarked Wednesday, January 29, 2020.
