

Antioch Update

A HALLELUJAH GOOD TIME! Restore, Renew, Revive

Reunite and connect with past and present members of Antioch for some down-home church and fellowship as we prayerfully gather to restore unity, renew our commitment, and revive our church.

The homecoming revival will help Antioch take the next step in rebuilding by calling members to pray and work together as one body in Christ; study God's word and be accountable to our church and each other; and help reignite our ministries and volunteers.

Hear the Word from some of your favorite ministers and enjoy praise and worship selections prepared by Antioch's first-time revival choir.

Mark your calendars now for **Antioch's Revival, Wednesday, Thursday, and Friday, Oct. 26-28th and Sunday, October 30th**.

PROVISIONAL LEADERSHIP COMMITTEE (PLC) September Update "Trusting In God"

In September we committed to praying without ceasing during our transition and launched a Congregational Prayer. The focus for the month of September was "Unity in the Body of Christ".

Our focus for October is "Trusting In God". We pray that you will join us in daily prayer as we trust God and discover His peace. We have faith that this will enable our church family to endure whatever obstacles we encounter during our transition. Please join us weekly as we meditate on the following scriptures:

October 2nd: Proverbs 3:5-7

October 9th: Psalm 37:4-6

October 16th: Psalm 9:9-10

October 23rd: Psalm 28:6-9

October 30th: Jeremiah 17:7-8

Unite with us on Tuesday mornings 7:00am to 7:30am for prayer, call (701) 802-5047, the access code is 1846260 and on the third Wednesday each month at 6:00pm via the ABC website.

Antioch's Millennial Ministry Welcomes All Young Adults

Antioch's Millennial Ministry was established in 2019 when our own Rev. Alan Harris began providing weekly Millennial Monday Check-ins, Zoom lessons, and other outside activities during the height of the pandemic to help Antioch's young adults maintain their spiritual connection to God, the church, and their peers.

Rev. Harris was called to lead Beulah Baptist Institutional Church in Tampa and Brother Chase Beasley, who worked alongside Rev. Harris, picked up the mantle.

The mission of the Millennial Ministry is to serve the body of Christ through actions/events but also to provide a safe space for like-minded young adults to voice their opinion. The ministry welcomes any young adults (ages 22 to 40), whether married or single. "All voices and fellowship will be valued in the ministry," Chase said, noting it can be difficult for this generation of young adults to navigate the many challenges—job responsibilities, financial concerns, social media, dating, pop culture and so on—that can distract them from their walk with Christ. "It's a pivotal time in our lives so it's important for everyone in this age group to have people they can relate to and depend on."

PASTOR SELECTION COMMITTEE (PSC) September Update

The PSC conducted the Congregational Survey September 15 – 30th. Thank you to all members who participated in the survey. An overview of the survey results will be shared in an upcoming All Saints meeting.

The PSC hosted its first focus group with a "Food for Thought" Brunch on September 25th for Antioch members ages 22-40. The PSC gained invaluable insights from this group as they actively participated and shared their views.
