

Health & Wellness Facts

Know the facts about coronavirus disease 2019 (COVID-19) and help stop the spread of rumors. (source: [cdc.gov/COVID19](https://www.cdc.gov/COVID19))

- The risk of getting COVID-19 in the U.S. is currently low.
- There are simple things you can do to help keep yourself and others healthy:
 - Wash your hands often with soap and water for at least 20 seconds, especially after blowing your nose, coughing, or sneezing; going to the bathroom; and before eating or preparing food.
 - Avoid touching your eyes, nose, and mouth with unwashed hands.
 - Stay home when you are sick.
 - Cover your cough or sneeze with a tissue, then throw the tissue in the trash.

Your Antioch family wants you to remain safe and healthy. We have taken extra precautions such as increased availability of hand sanitizers and frequent wiping down of handrails, doorknobs, and countertops.
