

EAGLE SHIELD SECURITY, LLC

Protecting People, Property & Operations — Nationwide Standards. Texas Roots.

SERVICE-DISABLED VETERAN-OWNED SMALL BUSINESS (SDVOSB)

SBA-Certified SDVOSB / VOSB · SAM.gov Registered · Est. 2014 · Muleshoe, TX

COMPANY OVERVIEW

Established in 2014 and headquartered in Muleshoe, Texas, Eagle Shield Security, LLC delivers comprehensive protective services that safeguard people, property, and operations across Texas and New Mexico. Our leadership team is composed of military veterans and retired law-enforcement professionals providing armed and unarmed security, access control, training, and risk mitigation to government, energy, and commercial clients.

CORE COMPETENCIES

- **Armed & Unarmed Security** — fixed posts, mobile patrol, and event security
- **Access Control & Surveillance** — GPS-verified patrols, monitoring, and digital reporting
- **Training & Certification** — Eagle Shield Academy (Texas DPS-approved, Levels II–IV)
- **Risk Assessment & Security Consulting** — site surveys and vulnerability analysis

DIFFERENTIATORS

- Leadership with **100+ years of combined experience**, including U.S. Marine Corps and federal law-enforcement backgrounds
- **98% client retention** with **zero missed-coverage incidents**
- GPS-verified patrols with digital logs and fully transparent reporting
- SDVOSB status helps agencies and prime contractors meet small-business and set-aside goals

PAST PERFORMANCE

- **Renewable Energy Security** — 80% reduction in site security incidents
- **Critical Infrastructure** — access control and perimeter protection
- **Gaming & Entertainment Venues** — crowd and asset protection
- **Large Public Events** — coordinated event security and crowd management
- **Retail & Commercial** — armed and unarmed officer posts
- **Executive Protection** — zero security breaches

Clients have included Blattner Energy and PYRO Shows of Texas.
