Print this page to measure your wrist and find your size

PRINT

In order to get an accurate measurement when printing this page make sure that 'Fit to Page' is **NOT** checked (PC) or 'Page Scaling' is set to 'NONE' (Mac).

After printing, measure the image below to verify that the page printed properly.

MEASURE

Cut out the ruler.

Next simply wrap the ruler around your wrist and measure to the nearest 1/4".

After you find your size, add 1/4" for a closer fit or 1/2" for a looser fit.

*IF YOU FIND YOU'RE BETWEEN SIZES, ALWAYS ROUND UP.
