CALL TO WORSHIP:

We who come to worship belong to various families, cultures and races.

We who come to worship are different human beings, different genders, colours and personalities.

We who come to worship have different histories and experiences and all those special ingredients that make us who we are.

And most of all, we who come to worship are spiritual beings who are also very much part of the circle of earthly life that is God's creation.

We are here to listen to God speak to us through scripture.

We are here to listen to God speak to us through our life experiences and other people.

We are here to learn how to listen to God speak to us through creation and the earth too.

Let us listen to God speaking to us as we worship God together!

***Hymn: Lord, the light of your love is shining**

No. 376

Prayer of Approach, Confession & The Lord's Prayer
**Our Father, who art in heaven, hallowed be thy Name.
Thy Kingdom come. Thy will be done on earth,
as it is in heaven. Give us this day our daily bread.
And forgive us our trespasses,
as we forgive those who trespass against us.
And lead us not into temptation, but deliver us from evil.
For thine is the kingdom, the power, and the glory,
for ever and ever. Amen.**

The Peace of Christ be with you all;
And also with you.
