

Hymns

Hymn #324 – Great is thy faithfulness (Congregation sings verses 2 & 3)

1. Great is thy faithfulness, O god my father,
there is no shadow of turning with thee;
thou changest not, thy compassions they fail not;
as thou hast been, thou forever wilt be.

CHORUS:

**Great is thy faithfulness; great is thy faithfulness;
morning by morning new mercies I see;
all I have needed thy hand hath provided;
great is thy faithfulness, Lord, unto me.**

Summer and winter, and springtime and harvest,
sun, moon and stars in their courses above,
join with all nature in manifold witness
to thy great faithfulness, mercy and love.

CHORUS

Pardon for sin and a peace that endureth,
thine own dear presence to cheer and to guide;
strength for today and bright hope for tomorrow,
blessings all mine, with ten thousand beside!

CHORUS

Hymn #11 - The Lord's my shepherd

1. The Lord's my shepherd, I'll not want.
He makes me down to lie
in pastures green; he leadeth me
the quiet waters by.

2. My soul he doth restore again,
and me to walk doth make
within the paths of righteousness
even for his own name's sake.

3. Yea, though I walk in death's dark vale,
yet will I fear none ill,
for thou art with me, and thy rod
and staff me comfort still.

4. My table thou hast furnished
in presence of my foes;
my head thou dost with oil anoint
and my cup overflows.

5. Goodness and mercy all my life
shall surely follow me
and in God's house forevermore
my dwelling place shall be.

Hymn 670: Amazing Grace (vs. 1,2,3,6)

1. Amazing grace,
how sweet the sound
that saved a wretch like me!
I once was lost,
but now am found,
was blind, but now I see.

2. 'Twas grace that taught
my heart to fear
and grace my fears relieved;
how precious did
that grace appear
the hour I first believed.

3. Through many dangers,
toils and snares,
I have already come;
'tis grace has brought
me safe thus far,
and grace will lead me home.

6. When we've been there a thousand years,
bright shining as the sun,
we've no less days
to sing God's praise
than when we'd first begun.
