

# Save the Date

## A Day of Worship, Prayer, and Praise

### “Believers United In Christ”

**Date: August 24, 2024**

Dear Rhode Island Churches and the Faithful in Our Lord Jesus Christ,

Please join in a powerful day of unity on Saturday, August 24, 2024, at Johnston Memorial Park, from 9:00 AM to 3:00 PM. This gathering is a call for Christians across Rhode Island to unite in seeking divine guidance and prosperity for our leaders and communities in the great State of Rhode Island.

Let us assemble on this day in one accord, calling upon God the Father of Christ Jesus, crying out for the Holy Spirit to intervene in every aspect of our society, and calling out in praise to God to bring us into complete unity. Let us come together in unity showing our undivided loyalty to Jesus Christ.

The purpose of this day is to fulfill the scriptures below:

“if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.” (2 Chron. 7:14)

In these days of heated division, let us assemble to fulfill what the apostle Paul stated:

“I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people— for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness.” (1Tim 2:1-2)

Highlights of the day:

- **Unified Worship:** Immerse in a day filled with praise and worship.
- **Prayer for Leadership:** Spiritual leaders will lead us in prayer for wisdom and divine guidance in governing and education.
- **Ministry Showcase:** Churches are encouraged to share and display their ministry programs that help their local communities. This will help unify the Body of Christ. (Please see attachment for a list of ideas for your church to showcase.)

Let us, the Churches of Rhode Island who hold to the teachings of the Holy Bible, gather on this day letting God be the center. It is an opportunity to visibly show our unity in Christ as we worship, pray, and praise for the strengthening of our Churches, our State, and all leaders.
