

At Webforless, we're on a *special mission* — to help small businesses get online while giving back to those in need.

We're offering a limited number of free or discounted websites for \$0, or \$99 (33% off) for new clients. A portion of all proceeds goes directly to charitable initiatives, including Gaza relief ❤️

This offer is designed for small or local businesses who want a professional website but may not have the resources yet.

It only takes a minute to check your eligibility — no obligations, no hidden fees.

If your business qualifies, we'll contact you within 24 hours to discuss your custom website and next steps. *Note: Free websites will be hosted on a temporary GoDaddy/ Wix domain (e.g. and use GoDaddy or Wix templates. You can upgrade to a custom domain anytime.*

Depending on your package:

- **Free websites** will be hosted on a **temporary GoDaddy or Wix domain** and use a basic template.
- You can **upgrade anytime** to your own custom domain (like [yourbusiness.com](#)) for full ownership and branding.

We may need your **GoDaddy or Wix login credentials or account access** to create and publish your site.

Don't worry — we'll guide you step-by-step so your website stays **secure and under your control**.
