# FEBRUARY FOCUS

## PREPARING THE SOIL OF OUR HEARTS TO REAP A HARVEST

*“Break up your unplowed ground,  
for it is time to seek the Lord, until  
He comes and showers His  
righteousness on you.”*

— Hosea 10:12

## February Theme: A Heart Postured for Harvest

When we prepare our hearts, we position ourselves for:

- Clarity in hearing God's voice
- Strength to endure the growing season
- Fruitfulness that blesses others
- Peace that comes from alignment with God's will

**Harvest is coming—but preparation is the key.**

### Prayer for February

*Lord, prepare the soil of my heart. Break up the hardened places, remove anything that hinders growth, and plant Your Word deeply within me. Make me receptive, teachable, and ready for the harvest You have planned. Let this month be a season of quiet cultivation and spiritual renewal. Amen.*

### Scripture Focus

“Break up your unplowed ground, for it is time to seek the Lord, until He comes and showers His righteousness on you.” —

Hosea 10:12

This verse reminds us that spiritual harvest doesn't happen by accident. It begins with preparation—softening the hardened places, uprooting what no longer belongs, and making room for God's righteousness to take root.

# Preparing the Soil of Our Hearts to Reap a Harvest

As we step into February, a month often associated with love, warmth, and reflection, God invites us into a deeper kind of preparation—one that happens beneath the surface. Just as a farmer tends to the soil long before a seed ever sprouts, we too must prepare the soil of our hearts for the harvest God desires to bring forth in our lives.

This month, we lean into intentional spiritual cultivation. We slow down. We examine. We surrender. And we allow God to do the gentle, transformative work that leads to growth.

## The Work Beneath the Surface

Before any visible growth appears, God works in the hidden places.

Soil preparation is not glamorous—it's digging, turning, breaking, removing, enriching. **In the same way, God calls us to:**

- Examine our hearts

What attitudes, habits, or fears have hardened the soil?

- Remove the weeds

What distractions or patterns choke out spiritual growth?

- Invite the Holy Spirit to soften us

Tenderness is a sign of readiness.

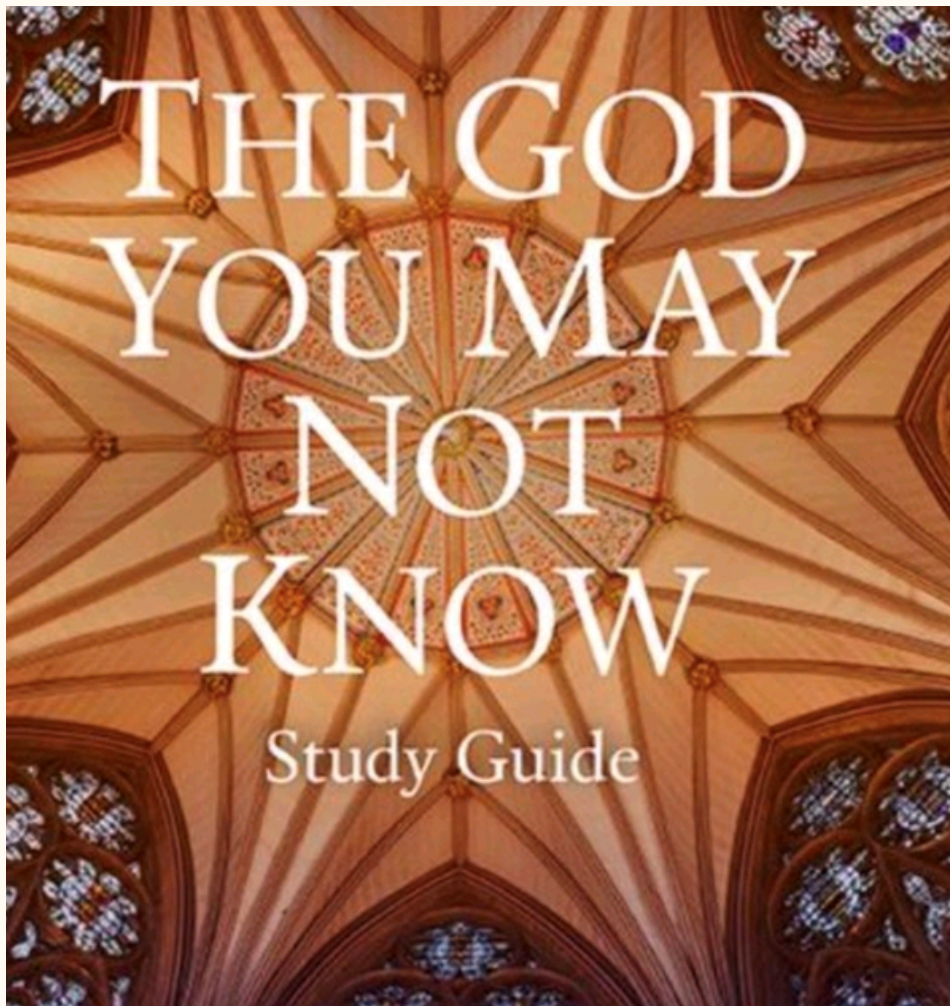

- Plant the Word intentionally

*Seeds of truth grow when planted in prepared soil.*

*This is the month to let God do the deep work. Not rushed. Not forced.  
Just surrendered.*
