

HOA Special Session
7.17.21

The board met electronically for a special session on 7/17/21. The purpose was to respond to an interested homeowner's request to be added as a member at-large on the HOA Board. The addition of an at-large member was suggested by Sage HOA services, as an odd number of board members is idea for the prevention of any voting ties.

President made a mention to add Courtney Romsa to the HOA Board. Treasurer seconded the motion. All four members voted in favor. Motion passed.
