This semester, our fraternity was thrilled to have access to our chapter house at 524 E College Ave., thanks to the efforts of Drew Sfugaras, Nick Azadian, and Ramon Guillen. Our brothers have enjoyed having a central chapter location again and have successfully hosted rush, brotherhood activities, party activities, and a Dad's weekend tailgate. We initiated 14 new members into our fraternity who will be valuable additions to the chapter and future leaders. Thanks to our VP of Finance, Jacob Bolger, we had a tremendous due collection rate. We held traditional semester activities and traveled to Nola for our formal. We have partnered with Big Brother Big Sister of the Big Bend, our chapter Philanthropy, and our brother's volunteers for their Big Draft, a flag football tournament for the bigs and littles. We have been progressing on the chartering process, and consistent meetings have been scheduled with Ian Lowe to accomplish the checklist items. One achievement our chapter is proud to announce is winning Fraternity of the Year for FSL Line Dance, Florida State University's most extensive Greek-run philanthropy. I consider this semester very successful, and we're looking forward to an even more successful fall.

Dance Marathon

This spring, many brothers participated in the annual FSU Dance Marathon. Dance Marathon is the largest student-run organization, raising funds and awareness for the UF Health Shands Children’s Hospital and the FSU College of Medicine. We paired with Chi Omega as Team Sleeper. The Sleeper family was our miracle family pairing, and they had twins who were born prematurely and saved at Shands Hospital. Brothers Connor Webster and Sebastian Andreychuk served as the Finance Chair and Coordinator, respectively, and Max Caubet served as our Delegate. We look forward to our continued involvement in this wonderful philanthropy.

FSL Linedance

This year was our second year as one of the 5 Fraternities involved in FSL Linedance, and it was a success to say the least. We paired with Delta Gamma, Phi Mu, and Alpha Phi; brother Connor Kinsell served as a Director of Donor Relations, and brothers Sam Asche and Kory Gehring also held positions. A record 342 thousand dollars were raised in total, and we came home with the Top Fraternity Award.

Big Brother Big Sister

After raising over 5,000 dollars for Big Brothers Big Sisters of the Big Bend from our fall philanthropy efforts, many brothers attended and help set up their Big Draft, which was a flag football tournament between the bigs and littles in BBBS. We look forward to continuing our philanthropic efforts with this great organization.

This spring we had **17** new members accept bids, and we initiated **14** of those young men into Pi Lambda Phi, as the Koalemos class. We are incredibly excited for the future that these young men have within our chapter. After initiating them, this brought our brotherhood total to over **130** brothers.

New Member Spotlight

King Carter is a freshman who was just recently initiated as a part of the Spring 2024 New Member Class. He is majoring in finance and aspires to get into investment banking when he graduates. King served as the New Member class president, and he hopes to eventually serve on the chapter's executive board. We are looking forward to his future within the chapter!

NEW ORLEANS

In March, our brothers traveled to New Orleans for the chapter's annual spring formal! Brothers spent time on Bourbon Street and exploring the historic locations such as the French Quarter. They enjoyed a dinner with their dates as well as an event Saturday night at the Fuego Bourbon Venue. We plan to continue this tradition return to Nashville for our fall formal and New Orleans once again for the spring.

Brotherhood Week/Socials

The chapter hosted our annual spring party this semester and we rented out Club Recess for the event. It was DJed by brother Rishi Subbiah and brothers enjoyed a great night together. This party capped off our annual brotherhood week, which involved games and events between the chapter's four different families- Gladiators, Gold Hold, Yacht Club, and Dawg Pound.

In addition to this, we also held a date function and a semi-formal this semester.

Dad's Weekend

We held our first Dad's weekend for the FSU spring football game. We held a tailgate on Saturday before the game at our new chapter house, and on Friday we rented out Painted Lady during happy hour. We look forward to continuing this tradition annually.
