Estimated Escrow Deposits

Item	Estimated Cost
Family Risk Assessment (if necessary)	\$315
Psychological Evaluation/Interview (if necessary)	\$400
Egg Donor Insurance Policy	\$425
Egg Donor Attorney Fee	\$600
Travel & Incidental Expenses (estimate)	\$6,000

Please note that the above fees are subject to change by the service providers.

Travel Notes

Travel expenses include airfare, accommodations, ground transportation, parking, per diem of \$75/day for donor and \$50/day for her companion, birth control pills, and other approved incidental expenses. If the donor has to drive more than 30-miles round trip to attend local monitoring appointments, she will receive mileage reimbursement of \$.55/per mile for each round trip.

Actual costs vary by donor and location, and escrow may need to be replenished if additional travel expenses are incurred.

Escrow

IPs will need to include the fee for their escrow provider of choice when depositing escrow funds, as most escrow providers take their fee directly from this initial deposit. If IPs utilize SeedTrust, they charge a flat fee of \$475. This fee is reflected in the following totals.

Estimated escrow deposit required before medical clearance:

- **Out-of-area donor: \$8,115**

Egg Donor Compensation

Donor fee: \$10,000 - \$20,000

This amount is deposited into escrow after medical clearance and is paid following a completed egg retrieval.

Medical Costs Not Included

Agency Professional Fees, Donor Compensation, and Escrow estimates do not include any medical expenses related to the donor's care or treatment. Intended Parents are solely responsible for all medical costs associated with the egg donation cycle, including but not limited to donor screening, outside monitoring, medications, laboratory testing, ultrasounds, physician services, egg retrieval, anesthesia, embryology services, and any additional treatment deemed medically necessary. These expenses are billed directly by the applicable medical providers and are not processed through the Agency or escrow unless otherwise specified.
