
Hive Res Halls: Hunger Games Edition

Apiary: District 12

- A bit crazy, but that's okay
- Has to be monitored quite frequently
- the coal district is appropriate because of the cigarettes

Bumble: District 3

- They ight...
 - somehow they understand the bumble tv, so they get the electronic district
 - friendly (not including the 2nd floor)
 - due to its proximity to Apairy gets a bad rep
-

Colony: District 1

- They are cocky and very entitled. (athlete kids *derogatory*)
 - a little too ready for the games...
 - need I say more?
-

Dance: District 4

- a more chill version of Colony but still cocky.
- also a little too ready for the games

Everest: District 6

- Not much is heard about Everest... who are they? What are they hiding?
- kinda just there bth

Honey: District 7

- Not much is heard about honey either...
- I imagine they are in good standing with the RDs? idrk
- They can smell the paper mill 24/7

Flower: District II

- Heavily monitored
 - the agriculture district because of all the police searches for a particular plant.
 - No further context.
-

Garden: District 5

- Out towards the back... who remembers them? not me, that's for sure
 - just kinda there
 - no further context
-

First Out Flower!

Bro, they don't even know what's
going on, if you know what I mean.
they stepped off the platform to early

Second Out Honey!

They didn't have a chance if we're being honest. They died while trying to get a weapon from the cornucopia. C&D killed them with a lacrosse stick.

Third Out Everest!

They ran away from the beginning and got
no supplies or weapons. C&D hunted them
down and killed them with that same
lacrosse stick

Fourth Out Bumble!

They died of an infection from the
dirty stairwell after Dance shanked
them.

Fifth Out Garden!

Oh...they were still here, I guess.
They ate some moldy berries from the
hive or something idk man

Sixth Out Dance!

Dance got into an argument w/ Colony because they didn't want to be in trouble with their coaches. While Colony was distracted by yelling, Apiary was able to kill Dance (by dropping a swarm of Art the Bees on them from above).

Apairy vs Colony

Colony narrowly evades the Art the Bees and chases Apairy back to the cornucopia. Apairy and Colony have an incredible showdown. The RDs decide it's taking too long and send a flock of Aviaries to attack. Apairy grabs an Aviary and chucks it at Colony.

Colony distracted by the lethal looks of Aviary, is dazed and Apairy uses another Aviary to scare Colony. As they scream for mercy Apairy shoves mold Hive berries down Colony's throat.

THE VICTOR IS...

APIARY!

They are in fact unhinged
they do not play fair
and they will do anything for to win tbh
