ABOUT US

Granos Oros specializes in global agribusiness solutions, promoting the grain industry around the world. Founded by CEO Nouran Ezzeldin, whose extensive experience as a business development consultant in the grain and animal feed industry informs our strategic vision. We offer comprehensive agribusiness solutions, including market research, business plan development, and facilitating connections between global buyers and sellers in the grain industry. Ensuring efficient local and international distribution, we leverage a strong network spanning key markets worldwide. Committed to excellence and innovation, Granos Oros supports the growth of the global grain industry by navigating international markets effectively, promoting industry interests, and fostering trade opportunities worldwide.

OUR VISSION

To be the leading global facilitator of trust-based agribusiness solutions, fostering sustainable and efficient agricultural trade across the world. We envision a future where our expertise and innovative approaches contribute significantly to global food security and agricultural sustainability. By promoting ethical practices and leveraging advanced technologies, we aim to set new standards in the agribusiness sector, ensuring that every transaction and partnership we facilitate benefits both people and the planet.

OUR MISSION

To link trusted sellers with reliable buyers worldwide, leveraging our expertise and innovative solutions to create a transparent, efficient, and trustworthy global agribusiness marketplace. Our mission is rooted in the principles of integrity, transparency, and excellence. We strive to build a network that transcends geographical boundaries, bringing together the best agricultural producers and consumers. Through our comprehensive services, we aim to optimize the supply chain, reduce market inefficiencies, and foster long-term, mutually beneficial relationships.

OUR TARGET

To expand our network and enhance our services, becoming the preferred partner for agribusinesses globally, known for our reliability, expertise, and commitment to trust. Our target is to grow our presence in key agricultural markets and continuously innovate our service offerings. We aim to support our clients in navigating the complexities of global trade, providing them with the insights, tools, and connections they need to succeed. By maintaining a steadfast commitment to our core values, we seek to establish Granos Oros as the benchmark for trust and excellence in the agribusiness industry.
