

Calvary Hill Paper Plate Craft

You will need:

- a paper plate
- brown paper
- crayons
- scissors
- glue

Instructions:

This craft is easy and fun to make. Just cut out a half-circle in the center of your plate and fold it up. Have the child color the plate. Try to make them look like Calvary Hill with a tomb at the base. To give the hill a little perspective, make the path to the crosses wider at the edge of the plate and narrower at the crosses. This makes the crosses look farther away.

Then, cut out strips of brown paper and form three crosses. Glue them onto the hill top. That's it! Simple and fun!
