

#ShadeOutDM Sponsorship & Brand Awareness

Shade Out DM Foundation was awarded 501(c) 3 status by the IRS in June 2021 and continues to grow with affected pups from every country around the globe.

The member support group on facebook offers support to owners at all hours as their pups take the DM journey.

Sponsoring ShadeOutDM is an innovative way for companies to reach the public that is in need of the assistance products in helping their handicapped pups.

Becoming a RACE Sponsor will:

- **Promote your brand**
- **Advertise your product**
- **Show the public you support our cause**
- **Put your product in front of thousands of pet owners as a result of our diverse network**
