"It's super convenient. All I need to go shopping is my phone—I don't even need credit cards or my purse. I'm going to pay for these things anyway, I love being able to use gift cards so we get something in return."

2. Tap "Categories" to narrow your search by category, like grocery, fast food, and home improvement.

Step 2: Choose gift cards

Two types of gift cards are available: eGift cards and physical gift cards. Not all brands offer both types—check the brand's page for details. Gift cards are worth face value and not a penny less.

eGift cards

These are immediately sent to your account when you pay online. View and print them right from your Wallet.

Physical gift cards

Some physical gift cards have special features. Here's what to know.

Ship to home eligible: Exclusively in the RaiseRight mobile app, physical gift cards from 250+ brands are labeled "Ship to Home Eligible." You can choose to get these physical gift cards mailed directly to your door when you pay online. A small shipping fee applies.

Ship to your coordinator: Available for all physical gift cards, these orders are combined based on your coordinator's order schedule and placed as a group order, then shipped to your coordinator to distribute. Confirm your organization offers this shipping option before placing your order. No shipping fee applies to you.

Reloadable: Many physical gift cards can be reloaded so you can keep using the ones you already have. Add money from your Wallet and earn every time.

To pay with a credit card, simply enter credit card details at checkout. You can save your card for future purchases.

Pay your coordinator directly with cash or a check: These orders must be marked as paid by your coordinator before they will be fulfilled. You'll receive your eGift card orders and reloaded money once they release the order. Confirm your organization accepts this payment method before placing your order.

Congratulations on placing your first order and earning for the first time. Keep it up.
