# COVID-19 RETURN PLAN

---

Despite the global COVID-19 pandemic, **the mission of Lemoore Presbyterian Church remains the same as always: to know Christ and make Christ known.** Our methods have changed, but our ministry continues.

## PURPOSE OF THIS DOCUMENT:

1. Outline LPC's phased plan for returning to in-person worship and ministry.
2. Provide clarity and set expectations for all staff, volunteers, and members.
3. Ensure consistent application of safety procedures during and after the pandemic.

---

## ASSUMPTIONS

- **God is still at work** in our church and in our community.
- **Our mission remains the same:** to know Christ and make Christ known.
- **We will make decisions** about reopening based on the alignment of federal, state, county, and presbytery guidelines (i.e., we will not resume gatherings until all four governing bodies agree that it is safe to do so).
- **This plan will remain in place** until a vaccine is widely available and/or until aligned guidelines permit.

## OBJECTIVES

- **To move *forward* with our mission** despite restrictions.
- **To follow relevant guidelines** to prevent the spread of the coronavirus.
- **To clearly communicate** with our congregation and community.
