## MAJOR ANNOUNCEMENT

### NORTHERN ONTARIO EXPO WELCOMES KIDD OPERATIONS AS TITLE SPONSOR FOR TIMMINSCON 2024 EVENT

**TIMMINS, ON:** Today marks a very special day for the Northern Ontario Expo, it is with great pride and joy that we formally announce Kidd Operations as our Title Sponsor for TimminsCon 2024. The Northern Ontario Expo is extremely excited to welcome Kidd Operations and thank them for joining forces with the Northern Ontario Expo, a not-for-profit organization who's annual TimminsCon is the premiere pop-culture festival in Northern Ontario.

Speaking on behalf of the Northern Ontario Expo BOD, President Jason Denis could not contain his excitement after receiving the great news. "It's not everyday that you receive this type of news and this type of commitment from a title sponsor. The fact that Kidd Operations have placed their faith, support and belief in us and for our event just makes us want to work that much harder in bringing the best possible event to our city for all ages to enjoy".

Join Kidd Operations, and the Northern Ontario Expo for TimminsCon 2024 this April 20<sup>th</sup> & 21<sup>st</sup> at the McIntyre Community Centre in Timmins, Ontario.

**ABOUT KIDD OPERATIONS:** Located in Timmins, Ontario, we operate the Kidd Concentrator and the Kidd Mine, the world's deepest base-metal mine below sea level, mining at 9800 feet with shaft bottom at 9889 feet. Kidd Mine produces an average of 40,000 tonnes of copper and 70,000 of zinc annually.

Kidd Mine is the world's deepest base-metal mine below sea level reaching 10000 feet. The mine also has the longest surface-to-bottom ramp in the world. We transport our ore by rail to our Kidd Concentrator/Mill located 27km from the mine.

We are one of the largest private-sector employers in the City of Timmins with a workforce of approximately 800 including full-time employees and contractors.

To meet the challenges of deep mining, we employ a highly skilled workforce and use leading edge technology like automated loaders and ventilation-on-demand. With a constant focus on achieving zero harm, we are committed to safety, the development of our people, and the sustainability of our community and environment.
