ABOUT TIMMINSCON

NORTHERN ONTARIO'S PREMIER POP CULTURE EXPERIENCE

TimminsCon is an annual celebration of pop culture, creativity, and community that brings fans of all ages together for an unforgettable weekend of comics, gaming, cosplay, celebrities, and family-friendly entertainment.

What started as a small gathering of passionate fans has grown into one of Northern Ontario's largest and most anticipated events, welcoming thousands of attendees, hundreds of exhibitors, and special guests from across Canada and beyond.

Our mission is simple: to create an inclusive, exciting, and memorable experience that inspires creativity, builds community pride, and supports local businesses.

TimminsCon is more than a convention — it's a place where stories come to life, friendships are made, and our community comes together.
