# FUND FAQs

## WHO DOES THE FUND SUPPORT?

Your church or organization will establish mutual criteria with the 35Kcampaign to provide guidelines on what type of families and adoptions to support.

## CAN OUR CHURCH OR ORGANIZATIONAL MEMBERS RECEIVE FUNDS?

Yes, we would encourage prioritizing your members and local community.

## CAN MY CHURCH OR ORGANIZATION BE INVOLVED IN THE DECISION MAKING PROCESS?

Yes. The hope is that our mutual criteria will provide enough oversight that the burden of the application process will be lifted from your organization. However, you can choose to participate in interviews or have final say on a narrowed list of applicants. We can tailor the experience to your needs.

## WHY PARTNER WITH 35Kcampaign?

The 35Kcampaign has been supporting adopting families since 2014. We can handle the application process and connect you with additional families when needed, alleviating work for your staff. This also frees your time to focus on fundraising or connecting with families to provide personal support to families in your organization's strength zone.
