Miles to Colombia

— Walk-a-Thon Fundraiser —

Please Join Us in Supporting Adoption!

We're excited to invite you to participate in the **Miles to Colombia Walk-a-Thon Fundraiser** in support of the Layendecker adoption. The fundraiser will run from April 16-22, with the goal of walking 2,700 miles amongst all participants.

For those who are unfamiliar, a walk-a-thon is a fundraising event that involves participants walking a designated course or path for a certain distance or amount of time. The participants collect pledges and donations from friends, family, and other supporters, with the proceeds going to support the Layendecker adoption.

Aaron and Mallory Layendecker live in Kansas City and are on their way to meet their son in Colombia. There are 2,700 miles between them - let's help them get there!! In addition to the miles, there are also a few key pieces of paperwork and fees that stand between them and their boy. That's where we come in! We are going to help the Layendeckers complete the "Miles to Colombia" by donating and moving our bodies for this great cause.

The Layendeckers have \$19,000 left to complete their adoption and the bulk of that will be due in the coming weeks. At \$7 a mile, we can help them reach their goal and bring their son home forever.
