ABOUT THE SHOWS

Our performances **de-mystify Shakespeare** by bringing the characters, language, themes and humour closer to the students.

Over **60 captivating and engaging minutes**, our dedicated actors will introduce students to Shakespeare in a way they have not experienced before.

In addition to presenting the **key scenes** of the play, we present linking commentary to explain and analyse, highlighting significant social and historical context.

Each performance includes a rapid-fire, four-minute, **absorbing summation of the plot** so no students get left behind.

Student volunteers from the audience assist in acting out some scenes making Shakespeare accessible and fun.

A **Q & A session** with the actors follows each performance.

A 'Shakespeare without Tears' **study guide** is provided to teachers for each incursion, to assist with integrating the performance into further classroom discussion.

Duration: 60 minutes + Q&A

Cost: \$9.50 per student.

A minimum fee of \$950.00 applies for groups less than 100.

All prices include G.S.T.
