INCURSION
PROGRAMME

WHO WE ARE

The Bookworms have been providing incursions to students in Victoria for over 40 years.

Our programmes are carefully selected to ensure we bring vibrancy and theatricality to your students' learning. You can expect your students to be enlivened, entertained, engaged and educated by our dynamic performances, and your students will leave the performance motivated to build on their experience.

Student participation extends the educational experience by bringing them on stage and making them the stars of the show!

"By far the best incursion we have had all year"

-Goodstart ELC Dennington
