

# Wedding Mixology Experience

## WITH LANDON LANE CANDLE CO.

A personalized fragrance mixology experience for your custom candle wedding favors awaits you in the quaint downtown of Mt. Pleasant, NC. Pausing from all the stressful wedding day preparations, you and your fiancé will be greeted by the relaxing beauty of the 1895 historic building, where you will spend quality time together making memories through mixing fragrances together to customize your perfect wedding day candle fragrance.

In addition to mixing your custom fragrance, you will dream and scheme together to name your new candle fragrance. This will be YOUR special Mr. & Mrs. candle fragrance – when guests light the Landon Lane Candle, they will reminisce about the special wedding day moments spent celebrating with you.

*Light fare, champagne & mimosa bar available upon request at market price.*
