Dear Friends,

On behalf of the whole team of D.A.A.B.A., I wish you all Happy Diwali and Successful New Year.

I am, indeed, greatly privileged and honored to be the President of this prestigious association, the Delaware Asian American Business Association.

Year 2020 and 2021 has been challenging and hard on all small businesses due to the COVID-19 pandemic.

I hereby want to thank and appreciate all small businesses of State of Delaware for their support and operating under such hard circumstances by following All CDC and State of Delaware Health Guidelines and Protocols.

It is hard and difficult times, but we have shown that through collective efforts and following precautions we can overcome any obstacles.

I would like to thank all retailers, friends, colleagues, sponsors and everyone who help us continuously to achieve our goals and make us stronger every day.

With God's graces and your support and assistance, we will make the small business in Delaware stronger, better and more successful.
