Palash (Paul) Gupta
President, D.A.A.B.A.

Dear Friends,

D.A.A.B.A. invites all our retailers, their families and employees to Diwali Event on Sunday November 10th at Nur Shrine. I thank all our retail members for their continued support. Without your support, D.A.A.B.A. could not have reached where it is today.

D.A.A.B.A. was formed in year 2000, with a mission to provide effective representation of membership base through legislative and administrative advocacy.

Our mission at D.A.A.B.A. is all about being the voice for the state's retail community. It's our job to monitor legislative and regulatory developments for you. We support, and often propose, policy changes that benefit the retailers and the customers we serve while opposing unreasonable restrictions on how we operate our stores. The more retailers support our efforts the louder and more effective our voice will be.

D.A.A.B.A. recognizes and appreciates that accountability means taking ownership for results and outcomes. We further understand that for the achievement of performance and member satisfaction goals, it is incumbent on the association's committee to be committed to operating in accordance with the strategic plan, continuous planning process and providing the resources necessary for associates to deliver on our commitments.

At the signing of the Declaration of Independence, John Hancock remarked that the revolutionaries should be unanimous in their action. While we may not always be unanimous in everything, Benjamin Franklin's response to Hancock's remark often holds true for our industry in the legislative and regulatory arenas: "We must indeed all hang together, or, most assuredly, we shall hang separately".

Thank you for 'hanging together' with our retail colleagues. If you are not a supported of D.A.A.B.A., I hope you will join today.
