always active

Men's crew collection

04

Polos

Technical T-shirts

Cargo and tailored shorts

always active

Technical tops

Fabric options support warm climates, active shifts and easy onboard care.

DRY TOUCH

Lightweight hand feel for active working days

PERFORMANCE JERSEY

Breathable options with stretch and shape recovery

COLOUR PROGRAM

Core neutrals with project specific accent colours

always active

Softshell outerwear

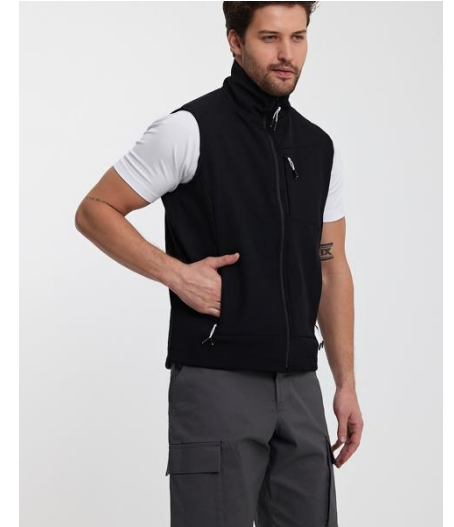

Layering pieces combine a clean uniform silhouette with practical storage and weather protection options.

JACKETS

Women's and men's cuts with high collars and zipped pockets

VESTS

A lighter layer for changing conditions and active deck work

always active

Bottoms designed for onboard work

Integrated coverage

Clean guest-facing lines

Tailored details and useful pockets

always active

Guest-facing uniforms

Service silhouettes can follow the yacht's interior palette while maintaining comfort through a full shift.

COORDINATED STYLING

Dresses, separates and accessories developed as one program

PROJECT COLOURS

Core fabric colours can be paired with custom scarves and embroidery

always active

Custom branding and accessories

Vessel logos and crew identity can extend across garments, caps and scarves.

EMBROIDERY

Logo size and placement developed for each garment

ACCESSORIES

Caps, scarves and belts complete the uniform program

always active

Uniform development and delivery
