# ADVOCACY PROGRAM

**BE THE CHANGE**

## HOW IT WORKS

All members of USOLMT have access to our Advocacy Hotline. Just call or text if you need assistance!

We do direct advocacy. It's simple! When you have an issue, let us know and we'll be there to lend a hand, connect you to resources, or to others who may be able to help you more.

We also teach you how to be an advocate for yourself, your career, and your profession.

**Advocacy is changing "what is" into "what should be".**

**Never stay silent on the things that matter.**
