DONOR INFORMATION PACKET

MESSAGE STUDENT SCHOLARSHIP FUND

Our goal is to raise \$5,000.00 annually to award each January to a massage student in need. Not only do we help the student, but by providing a debt-free education for a low-income student, we are providing the opportunity for that student to serve their community.

The benefits of bringing massage therapy to low-income communities are numerous, including stress reduction and relaxation to pain relief and improved health and wellness for communities who may be underserved, underprivileged, or priced out of the massage market altogether.

Change lives by giving a gift to a massage student in need.

USOLMT ANGEL FUND

The USOLMT Angel Fund is also new for 2022. Give a gift to a massage therapist to change lives.

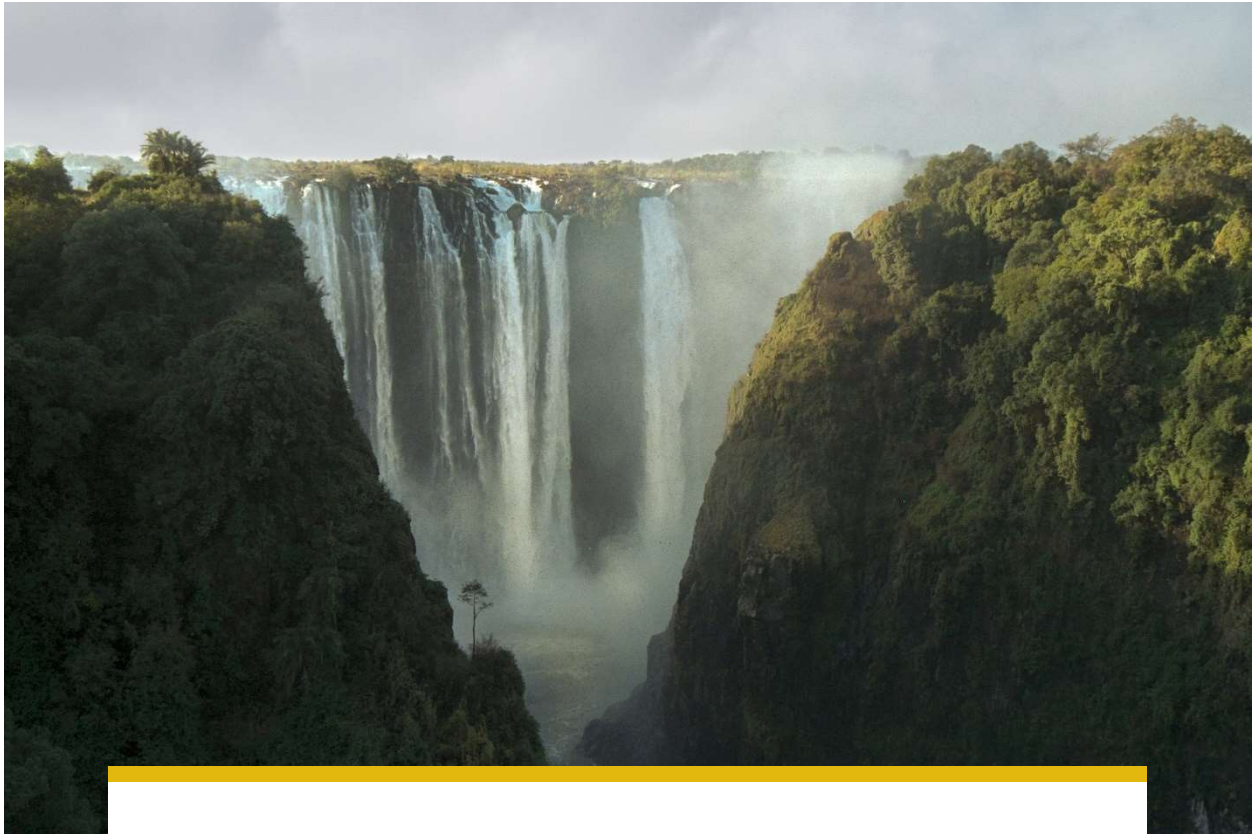

Our goal is to raise \$3,000.00 annually to award throughout the year to massage therapists in need.

There are requirements to meet and fees to be paid to practice massage therapy in the United States. These range from license renewal to required continuing education to required testing.

When we provide a hand up to the lowest paid among us, massage therapists who live in poverty or are struggling due to unforeseen personal circumstances, we elevate our entire industry.

The USOLMT Angel Fund will provide up to \$500.00 per request to massage therapists in need. Gifts are for US-based massage therapists only.

THE OPERATING EXPENSE FUND

We have expanded our programs, products, and the services we provide to massage therapists for 2022, significantly increasing our normal operating costs.

Because we are a new association, we still operate on a shoestring budget. We are raising \$2,000.00 to cover our 2022 operating platform costs. Please consider donating to keep USOLMT positioned for maximum growth potential.
