### INSURANCE CANOPY

Insurance canopy is a subsidiary of Veracity Insurance. Veracity Insurance also owns Beauty & Bodywork Insurance.

Our members receive the same A+ rated insurance as Beauty & Bodywork, delivered through Insurance Canopy, so that USOLMT could provide a monthly payment option.

Insurance Canopy partners with the Professional Beauty Association (PBA), which is also located in Phoenix & is the largest beauty association in the United States. They've covered tens of thousands of estheticians, and one of the largest insurance carriers of massage insurance in the United States. Many therapists choose them for their affordability of coverage.
