ABOUT US

Established 2020

USOLMT advocates for the massage therapy profession by educating, elevating, and encouraging professional massage therapists to break with the status quo of our industry and assists by empowering present and potential massage therapists and employers to innovate for future growth and expansion of our industry.

We offer a wide variety of programs, services, and products to support massage therapists and a robust membership benefits program.

Our founding board consists of change-makers from all over the country who are ready to make a positive impact on the world of massage therapy.

We look forward to many years of growth in the massage industry.

WHY JOIN?

USOLMT provides an on-demand learning experience in important areas that support you in school, at your job, as a solopreneur, an independent contractor, an employer, and more!

We offer the support you need, when you need, nationwide industry news and information, and low-cost liability insurance through our partner, Insurance Canopy.

We offer the best association membership pricing in the industry & the lowest-cost liability insurance for professionals! The true benefit lies in finding others who are like you - seeking positive shifts in our industry & profession. That's how movements begin.
