

Proclamation Event at Office of Mayor of Houston

On August 22, 2023, a significant milestone was achieved the sister cities of Houston and Abu Dhabi officially as they proclaimed and reaffirmed their sister city status.

The proclamation event took place at City Hall in downtown Houston, where representatives from both cities gathered to commemorate the occasion. The event was attended by government officials, business leaders, cultural ambassadors, and community members from both Houston and Abu Dhabi.

The highlight of the event was the official proclamation ceremony, where representatives from both cities spoke and cementing their sister city relationship. This symbolic act demonstrated the commitment of both cities to fostering meaningful partnerships and collaboration in various sectors.

Dignitaries from both cities delivered keynote addresses highlighting the importance of the sister city relationship and the potential benefits it could bring in terms of economic development, cultural exchange, and innovation. Through cultural exchange, economic collaboration, and mutual respect, the sister city relationship promises to benefit both communities and foster greater understanding and friendship on the global stage.
