

Coastal Support Services Referral Program

We provide person-centered assistance to individuals who are struggling with homelessness or extreme hardship whether it be physical or mental. Our Adult Mental Health Peer Support Specialists are certified through the OHA. Please refer any clients that struggle with one or more of the following:

- Needs identification (Photo ID, birth certificate)
- Needs transportation for necessities and medical appointments
- Needs assistance with filling out job applications, resume building
- Needs shower, free laundry, clothing, toiletries, shoes, feminine hygiene products
- Needs navigation to other agencies based on their need
- Struggles with social anxiety
- Struggles with making friends
- Struggles with figuring out joy triggers (Feels like they never have fun or feel fulfilled with their life.)
- Struggles with finding their strengths and talents
- Wants access to art room / with ability to leave art to go on the wall or take it home
- Wants access to wellness activities such as walking the beach / hiking on a local trail
- Wants to volunteer to help our local homeless population
