Empowering Youth Through Basketball

At Team LEAD, we are dedicated to fostering Leadership, Evolving skills, Accountability, and Discipline in young athletes. Our mission is to teach the fundamentals of basketball while building character and life skills through sports. We aim to develop not only skilled players but also responsible and disciplined individuals who excel both on and off the court.

Team LEAD is a non-profit 501(c)(3) organization committed to providing quality basketball training and competition for youth athletes. We currently field two girls' teams (7th and 8th grade) and one boys' team (8th grade). Our focus is on teaching basketball fundamentals and instilling core values that contribute to the personal growth of our players.
