

Interview in an IT company

So, what makes you suitable for this job?

I hacked your computer and invited myself for this interview

**Generation: *Finally!***  
*(you are HERE  
at the right time  
to do ALL the things)*

# YOU: a Tech Start Up

# We need a stronger cyber workforce to implement Maryland's preparedness bills

*The Cybersecurity Association of Maryland's executive director Tasha Cornish sees new state-level bills as an encouraging development, so long as the cyber industry has the workers to support it.*
